“God's Original Plan”

[35:25]

The following quotes are important points from Myles teaching session

Rulership

God's simple intent and purpose from the beginning was to extend and establish his kingdom on this Earth

God's original purpose and intent was:

To rule the seen *(that's the visible world)*,
from the unseen *(that's the invisible world)*,
through the unseen *(that's the spirit of man)*,
living in the seen *(that's man's body)*,
on the scene *(that's the Earth).*

This is God's program.
Still is, always is.

What's the underlying purpose of all that?

The Earth will show (display)
what Heaven is thinking

He (God) is the king of <u>everything</u>

God created you in his own image and his likeness, to have **dominion**

Here it is in black & white:

Then God said, “Let Us make man in Our image, according to Our likeness; let them have **dominion** over the fish of the sea, over the birds of the air, and over the cattle, over all the earth and over every creeping thing that creeps on the earth.”

Genesis 1:26 (NKJV)

Do you see worship in that verse?

Do you see singing in that verse?

Do you see Heaven in that verse?

The word '**dominate**' means:
'to govern', 'to rule', 'to control',
'to manage', 'to lead',
'to have authority over'

So God gave man dominion of all these things and made him the king of the Earth

Kings have dominion

Who owns Earth?

"The earth is the Lord's, and all its fullness, the world and those who dwell therein."

Psalm 24:1 (NKJV)

Earth was never yours.

He gave it to you to manage under a lease agreement called '**Dominion Mandate**'.

God never gave us ownership – he gave us rulership

When somebody gives you <u>owner-ship</u>, then they are not responsible any more.

But if they give you <u>rulership</u> they are still responsible.

So what God gave man was a management contract of Earth.

He gave man a **lease agreement**.

Get This:

Therefore, what you do with the planet, you've got to give an account back to the owner. And how you use the planet and what you do with it. You've got the report back and he would judge us according to how we agreed to run the planet. →

That means that we are the managers, we are the supervisors, we are the rulers, the governor's, we are the leaders of the planet and whatever happened to this planet is our responsibility.

This is a very important statement:

God is king, but he doesn't want subjects. **He wants sons**.

This is another very important statement:

It was never God's plan to have subjects, but **sons**

Heaven

Check this out:

"The heaven, even **the heavens, are the Lord's**; but <u>the earth He has given to the children of men</u>."

Psalm 115:16 (NKJV)

So God's plan was to create a creature that would have dominion or rulership over a domain called Earth.

That's clear to God.
It ain't clear to us quite yet.

You were created to be in charge of a territory.

So trapped in every one of you is a 'Dominion spirit' and a 'Dominion Mandate'.

That's why you go crazy when you are dominated.

You were <u>not</u> created **for** Heaven.

Heaven is where you came **from**.

Everybody wants to go to Heaven and God don't want nobody there.

God said [to himself], *“Look, I needed somebody to dominate a real estate called Earth. That's what I needed.”* →

“<u>I didn't need</u> anybody in Heaven to come sing for me. I got some angels there, but much better than you guys. <u>I don't need</u> to hear no chorus. I need someone to rule for me.”

If God says he created you to dominate Earth, then it's very clear that you cannot stay in Heaven.

Religion

It has never been the plan of God to establish a religion

Religion is man-made

Religion is man's attempt to search to find something they believe they lost

Religious people haven't found what they're looking for yet

Religion is like an organized club created by man to satisfy his hunger to find God

God made a decision: *“I'm going to make it easy for you. I'll come and discover you.”*

Details on religion will be in another session

Christianity

“Yet to all who received Him, He gave the power <u>to become sons of God</u>, to those who believed in His name”

John 1:12 (MEV)

It has never been God's plan to have Christians, but **citizens**

Sons are citizens of God's kingdom

We've become something that <u>we</u> created

The Bible never names us 'Christians'

'Christian' is a pagan tag

To be a Christian, you gotta live up to pagan's expectations

To be a son, you gotta be like your Daddy

To be a citizen, you gotta represent your country

To be an ambassador, you got to represent your government

I used to be a Christian, but today I'm a son and a citizen and an ambassador

The Fall

The Fall of man messed the whole program up

The Fall of man was a fall, not from Heaven, but from dominion (from rulership)

Man fell from his responsibility of dominion (rulership) over the Earth

“The fall of man, or **the fall**, is a term used in Christianity to describe the transition of the first man and woman from a state of innocent obedience to God to a state of guilty disobedience. Although **not named in the Bible**, the doctrine of the fall comes from a biblical interpretation of Genesis chapter 3.”

Nowhere in the Bible is Satan ever referred to as a king

Satan is illegal

If Satan is ruling your life, that's illegal

Details on The Fall will be in another session

Prayer

If you don't understand the Earth (management) arrangement you won't understand prayer

Heaven can't do anything on Earth without the permission or access through those who God gave authority to

Prayer is constantly giving God permission to interfere in the Earth <u>because</u> you're the one with the **license** (to manage)

The one who set the system up declared that men ought always to pray and never stop

Prayer is business.

You are doing business with a government from whom you are the ambassador

Prayer is the medium through which you get your fax to come through. And your emails.

Prayer is how you get your flow of information and resources to come from the government

You aren't supposed to <u>go</u> to a prayer meeting, you're supposed to <u>be</u> one

What's the purpose of the detail in this lesson?

It all boils down to

KINGDOM mentality

But not everyone is happy about the **complete** Kingdom message
