Oppose Condemnation

One of the greatest destroyers of believer's faith and their focus on what's important is condemnation. Our heart and our mind condemn us whenever we let it. That's because we let culture, religion and legalism determine what we believe. We also submit to the negative thoughts the enemy puts in our minds. These actions are 'a recipe for disaster' and any condemnation they bring to us should be vigorously opposed.

Although we have heard that there's no condemnation for us as sons, we don't believe it. That's because we don't know the reality (the truth) about who we are, how Father relates to us and how we relate to him.

Listen to what he has to say about resisting condemnation:

> *"Let go of the past like you would take off an old coat. It is true that you have sinned and made mistakes. You have not been perfect. Your heart has condemned you, but I am greater than your heart. Separate yourself from all that has defiled you and come to Me for purification and redemption. I will receive you. Do not be afraid."* [1]

Don't allow condemnation to cause you to think that Father rejects you in any way or in any condition you find yourself in. Nothing can separate you from him and his magnificent love for you.
