

AWAKEN TO SPIRIT LIFE OF EXTREME EXCITEMENT!

by Ron McGatlin

(OpenHeaven.com Digest April 27, 2017)

An explosion of exuberant dynamic life within God's people is awakening us to extreme life supercharging the Christ Body to live beyond anything we have ever known.¹

A restraining veil that has separated us from the fiery intense exciting life of God is being removed off our hearts and lives. The glory life of God can now begin to flow within His people without restraint or limitation.²

The intensity of the time is altering the focus and desires of the called out 'ekklesia' of God. The excitement of true Spirit life energizes and empowers kingdom-minded people to full activity and fruitfulness in every work given to man.

Time will seem to expand as the Spirit energy within us will accomplish more in an hour than we could do before in a day – and more in a day than we could normally do in a month. It may seem like slow movement to us, yet much is being accomplished while the clock seems to almost stand still.

Spirit acceleration is the normal life in the Spirit that is free of hindrances imposed upon us from the cares of this life, the lust of the flesh, pride of life, and self-indulgences of pleasure-seeking that comes from depraved life.³

Without the stress of what we have thought was natural life, personal production in every endeavor of life will effortlessly increase. Living in kingdom order is the most productive and efficient life available on earth. True prosperity in spirit, soul, and body is the norm in kingdom-style living. All of the earth's ills can be healed and life on earth restored to the Garden of Eden life on earth through abiding in kingdom order in Christ Jesus.

Breaking Through the Veil of Separation

Through the inputs to the souls of man in this fallen Adamic world systems, a veil of darkness has been laid upon the hearts of the people. The veil is from the kingdom of darkness, or more accurately, the principality of darkness ruled by Satan through anti-Christ spirits working in deceived "elite" human leaders posing as light while imposing a veil of darkness upon the minds of the masses of people.⁴

The veil uses false secular and religious beliefs to blind the minds and hearts of the people to the reality of the one true God and the availability of His kingdom potential now.⁵ The availability of the kingdom life with its unlimited love, power, and wisdom along with its peace, abundance, and prosperity is proffered as either non-existent or as only possible sometime in the future but not in this life on earth now.

The ground work for breaking through this veil has been progressively built into God's people. Since the time of the cross, resurrection, ascension, and the Spirit return of Christ in the Holy Spirit, the potential of restoration of the kingdom of God on earth has been and is now fully available. The progressive ground work coming forth is the preparation of a people to fully believe and receive the kingdom of God. God has been preparing a people to carry the glory of

1 – John 10:10b; 1 Corinthians 12:12-27

2 – 2 Corinthians 3:12-18

3 – 1 John 2:15-17

4 – 2 Corinthians 11:13-15

5 – 2 Corinthians 4:3-4

the beautiful life of righteousness, peace, and joy of the order of the kingdom of heaven on earth.

Great strides were made over the past few centuries as people began to again receive the fullness of the Holy Spirit establishing the life of Christ in a people on earth. In recent times the miraculous supernatural work of Christ in man by the Holy Spirit has begun blasting holes in the veil that is upon the hearts of mankind.

The FIRE of the LOVE of God is dissolving the veil from the hearts of God's people. God through the supernatural works of the power of Christ in His people working with holy angels is opening great holes in the veil of deception and darkness that is upon the land.

The enemy is fighting back with all the power he can muster in the hearts and lives of the multitudes of people who are yet deceived and blinded. Great turmoil has come to earth as the veil is being destroyed and more of God's people are breaking through into the glorious eternal life in the everlasting kingdom of God on earth.

“Do not fear, little flock, for it is your Father's good pleasure to give you the kingdom,”
Luke 12:32.

Do not become dismayed by the great turmoil and tribulation upon the earth. Do not fear the cataclysmic events upon the earth. Rather than draw back in fear, this is your time and mine to become more alive in the great release of the kingdom of God's supernatural Spirit life that is being poured out upon all who will turn to Him with their whole heart.

Now is the time to receive the kingdom life of Christ Jesus in us to carry out the final stages of the restoration of kingdom order on earth. Christ Jesus came to earth to purchase the return of Planet Earth, His people, and all that is upon the planet to the kingdom of God.

Awaken and move with the power and the speed of the wind of the Spirit intensifying the fire of God in us to be the extreme people who ride with Him through the great redemption of this world to the kingdom of our God.

Flee the Babylonian kingdom of earthly glamor and clamor that shuts out the reality of kingdom life and order.

The Babylonian system of human dominance and rule is being replaced in the people who turn to God with their whole hearts and have the veil of deception and darkness lifted. Spiritual eyes are opening above the clouds of confusion into the simple but beautiful life of following Christ Jesus as He leads us from within by the Holy Spirit of God.

Much if not most of the stress of running to and fro seeking to be the best and have the best is like running on a tread mill: running as fast as we can as long as we can and getting absolutely nowhere. Families are lost in striving to raise the brightest and most talented children in their group while for the most part ignoring the reality of the love and presence of God in their lives. Striving for the “good life” while missing the God life of righteousness, peace, and joy in the Holy Spirit.⁶

While seeking the glory of this life and the acceptance and applause of men rather than becoming one with God, they become one with this fallen world. Instead of bringing forth the kingdom of God to change and rule in this world, they are changed by the fallen world and ruled by it. They become one with this fallen world instead of one with God.

In their busyness of self-seeking, they hardly notice as the veil of deception and darkness falls upon them. The enemy is attempting to destroy them in his all-out war to stop the kingdom of God from ruling in this world.

6 – Romans 14:17

As the veil is lifted, Babylon is being destroyed.

The lifting of the veil signals the last call for the people of God to COME OUT OF THE BABYLONIAN LIFE.

“And I heard another voice from heaven saying, ‘Come out of her, my people, lest you share in her sins, and lest you receive of her plagues. For her sins have reached to heaven, and God has remembered her iniquities,’” Revelation 18:4-5

Read Revelation Chapter 18 and 19 for a clear prophetic figurative language account of the fall of Babylon. Read Chapter 20 and 21 for a clear prophetic figurative account of the New Jerusalem, Bride, ruling city of the kingdom of God coming forth on earth. These Scriptures are coming forth in this season of the History (His-story) of Christ Jesus and Planet Earth.
