

Align With Me

For some time now our King has been asking us to come into alignment with him: his will, his ways, his plans, etc. Everything has to be brought into alignment with him. For example, he has said recently:

- *“As a loving Father, I want to speak to my people, to my nations, as I want them to align with me.”*¹
- *“But this requires my Kingdom to be implemented and that requires my children, my people, to align with me...Align with me, come into my purposes, and this city will glow with my glow.”*²
- *“My heart is sorrowful for those who just cannot bring themselves to align with me...What I am looking for and what I recognise is those who will align with me and be about my business”*³
- *“Align with me in all things. Align with my heart. Align with my will, and align with the times and the seasons that I have established for this planet, for humanity and for the church...Align with me. This is the season of alignment so that things can move forward to my return.”*⁴
- *“Cast off those words that you hear that don't align with me.”*⁵

To understand how to come into alignment with him, he spoke this: *“Put your faith and your trust in me. Make me the centre of your life. Make me the wheel in the middle of the wheel of everything that your life involves.”*⁶

He asked us to align with him in the ACT Elections on 15th October 2016. Did we do it his way?

*“I mentioned this to you in the national election as well, and many just didn't listen. So I say it again, if you want to know how to vote, ask me. I know all things and I am the source of truth and of righteous knowledge. I should be your 'first port of call'. So counsel me and ask me how you should vote and I will show you, because it's important that my plans, which are Father's plans, are brought into being in this state. Don't try and second-guess what I'm doing. Don't stand in my place and say that you know what I'm doing by the way you vote and by your attitudes, because you've got no idea.”*⁷

In these Last Days, our King is looking for people who will become aligned to him. Religion can't do that. Doing-your-own-thing can't do that. Those who do align, through testing on both compliance and alignment, our Sovereign will use greatly to bring about his plans on the Earth.

His end-time Bride will not be a rebellious, lazy mob, but a fine-tuned army in unison with him.

Laurence
