*The locusts of Revelation 9
may come from outer space?*

Question:

**Could the locusts of Revelation 9
come from outer space?**

Not according to current
eschatological theology

Then the fifth angel sounded: And I saw a star fallen from heaven to the earth. To him was given the key to the bottomless pit. And he opened the bottomless pit, and smoke arose out of the pit like the smoke of a great furnace. So the sun and the air were darkened because of the smoke of the pit. Then out of the smoke locusts came upon the earth. And to them was given power, as the scorpions of the earth have power.

Revelation 9:1-3 (NKJV)

The shape of the locusts was like horses prepared for battle. On their heads were crowns of something like gold, and their faces were like the faces of men. They had hair like women's hair, and their teeth were like lions' teeth.

Revelation 9:7-8 (NKJV)

Challenge

“Here is described an army of beings with mixed genetics [transgenics], but all species of terrestrial origin. The similarities between the 'locusts with faces of men' and the modern reports of 'insectoid' aliens [descending through dimensional gates] stand out in John's prophecy...”

Quote:

Challenge

“It is assumed that the locusts of Revelation 9 'ascend' from a bottomless pit somewhere on earth because the story of the locust invasion begins with a 'star' falling from heaven to earth and an angel with a key...”

Quote:

“The Greek word translated 'fall' is $\pi\iota\pi\tau\omicron$, which means to 'descend from a higher place to a lower'. If the star itself IS the bottomless pit, Revelation 9 could be describing an extraterrestrial object—a mother ship if you will—moving into orbit around earth with myriad beings...”

*“From this same place in Scripture...the word 'pit' is *phrear*. A 'phrear' in Greek mythology is an orcus, a deep chasm bound by a gulf where fallen beings are imprisoned...”*

“Revelation 12 explains the surety of Satan and his angels coming down from heaven to the earth in the future. For now, they wait...somewhere out in space.”
