Is the Vatican's not-so-secret plan to join with aliens to create an advanced religion based on any evidence that aliens actually exist?

Has their 'Lucifer' telescope in the US revealed the existence of aliens and their spacecrafts?

Let's see for ourselves what's actually being uncovered in UFOlogy these days.

# WATCHERS DNA

The title 'WATCHERS' is rendered in large, metallic, 3D block letters. The letter 'X' is replaced by a stylized DNA double helix. Below it, the word 'DNA' is written in a bold, orange, sans-serif font. The background features a glowing blue globe of Earth, surrounded by digital data lines, grid patterns, and lens flare effects.
