

Prophetic Word:

Get Aligned with Him

Did you know that you affect atmospheres around you with who you are and what you carry within you? The enemy of your soul can see that. Your thoughts, your deeds and all that you are will always affect the atmospheres around you. You are called to be good stewards of your thought life and of what you do.

Above all else, guard your heart, for everything that comes out of you flows from it. Guard your heart with all diligence because it determines the course of your life. Capture every lofty thought and vain imagination in your life that exalts itself against Me and put them under My Lordship. I am calling you to get aligned with Me in this season, so bring everything in your life into the obedience of Christ.
