In a world of fake news, fake love, fake gods with fake religious teachings, make-believe drama, and virtual reality video games, where is reality of life? Is there truly a reality, and if there is where is it? And how can our young people come to know and experience it?

Seeing and Experiencing Real Life

Real life is the state of being fully connected as one with Father God in Christ Jesus by the Holy Spirit. It is the reality of a supernatural, Spirit-led, and empowered life of purpose and significance. It is the kingdom of God within His people flowing out to transform the world to the kingdom of God.¹

Not everyone can see real life. Because of the fall of mankind in Adam’s disobedience (sin), natural mankind cannot even see real life. The natural man sees real life in the kingdom of God as only fantasy and foolishness.² A Spirit birth must occur in mankind to make alive the Spirit of God within man to even be able to see the real life of the rule and reign of God on earth.³

Beyond Seeing Real Life

Beyond seeing the kingdom of God, there is the process of Spirit God saturating our entire being, spirit, soul, and body until there is nothing left of our old life, and His new life is our life. (Mark 8:35). The Spirit of Christ within us by the Holy Spirit empowers us to renew our minds to the mind of Christ and all things become new as we are recreated with the attributes of Christ living where we once lived. It is no longer us that live but Christ living in us.⁴

Thus we have truly become the body of Christ.⁵ The expression of Spirit Christ in His one body of many members all functioning as one with Christ Jesus as the only Head of His body on earth. Father God’s desire and design is for His Son, Christ Jesus, to be ruling and reigning on earth⁶, reigning with and in His people, nurturing and keeping all creation on earth in perfect balance of His perfect heavenly order of pure love.⁷

In God’s heavenly order the high cost of sin will disappear, and there will be plenty of everything to meet the needs of mankind and all the animals large and small. All the systems of the planet will function as originally designed. All created systems will work together as they did before disobedience entered through Adam. The fullness of the work of Christ Jesus to redeem and restore all will be accomplished, and the glory of God will fill the earth.

Peace on earth and goodwill toward man is the theme of Christ Jesus on earth.⁸ The Son of God became the Son of man to redeem and restore the world to the Garden of Eden life of peace on earth in the kingdom of God.

Kingdom Reality Now in the Midst of a Nebulous World

The real life of the kingdom of God will not rule in all of this world unless or until it first fully reigns within God’s Spirit people who are alive on earth. The kingdom of God is now fully available to be experienced within and among the called out, separated holy people of God. In this day the reality of the kingdom, the ruler dominion of King Jesus is within His people who

were crucified with Him and are now made alive as Christ lives in us.⁹

The words from God spoke creation into existence.¹⁰

Again Father God in Christ Jesus by Holy Spirit is speaking forth the re-creation of this world to the kingdom of heaven on earth.

The power of the faith of Christ in His people speaks the word from God and the world comes into alignment with and according to the words of God from heaven through the dominion authority forever bestowed upon mankind.

The most powerful word spoken since the words of God spoke Planet Earth and all that is in it and on it into existence is the word of the restoration or re-creation of the kingdom of God on earth, in and through His people, re-creating the world to the fullness of the kingdom of God on earth as it is in heaven.¹¹

Speak the Word of God by the Spirit of God

God is leading us to come together as a small voice in the wilderness that is now becoming the sound of many rushing mighty waters speaking the words of God re-creating the world to the kingdom of God.¹²

Now let us prepare our hearts to allow and to agree for the spoken word of the kingdom of God to manifest on earth to flow through us all in one voice of God in our many voices.

(Please note: If you are not ready for this please get ready, if you can. If you cannot now agree, then please wait until you can become a part of the many voices. However, I plead with you, if you are not willing and ready to voice this word at this time, at least do not stand against or speak against this word.)

Let us lift our eyes above and beyond all the fray of futile words and ways of the spellbinding fake words of delusion now flooding the world.

Look up to the throne where we are seated with Christ with our loving Father and hear clearly the words of our God and speak them forth into this world.¹³

All heaven's power, wisdom, and myriads of angels await the speaking forth of the words of the Father from the living people of God on earth. The full power of the creator of all creation is released on earth by the words spoken in complete faith by Christ Jesus in us, His people who are alive in this day.
