The Destroyer Is Coming

Editor's note: This page is the result of a collaborative effort in early 2010 among David Eells, Peter Kuehlen and Stan Patton, who contracted for NASA interpreting satellite test images.

{Luk.21:25} And there shall be signs in sun and moon and stars; and upon the earth distress of nations, in perplexity for the roaring of the sea and the billows; {26} men fainting for fear, and for expectation of the things which are coming on the world: for the powers of the heavens shall be shaken.

It appears the earth changes prophesied in the Bible for the Tribulation and Day of the Lord are the same ones that even lost scientists are saying are coming, due to the effects on our solar system by 'The Destroyer' a.k.a. 'Planet X,' 'Nibiru,' 'Wormwood,' etc. God, Who set every heavenly body in its place and orbit, had this brown dwarf star to come by to start the Tribulation judgments. This star is on an elliptical orbit of 3500 years. The last time it was here was when the man-child, Moses, spoke the Exodus judgments.

We do not claim to know all the answers or to be able with our minds to pick out all the fact from fiction that is out there concerning this issue. There is much disinformation, fake pictures and faulty science out there attempting to explain or cover up what is happening. We ask you to pray and examine some of the more credible evidence, at least in our thinking.

'The Destroyer' is back

The worst catastrophe the world has ever seen is literally around the corner.

Luke 21:25-26

"And there shall be signs in sun and moon and stars; and upon the earth distress of nations, in perplexity for the roaring of the sea and the billows; men fainting for fear, and for expectation of the things which are coming on the world: for the powers of the heavens shall be shaken."
