

The False Unity Movement

There is the ecumenical movement which is trying to bring all Christians into 'unity'. There's the pope and others in the multi-faith movement trying to create a one-world religious system. And, there are Christians who stress that all believers in Jesus must be in unity, otherwise they are against Jesus' teaching.

Not all Christians are 'true believers', and not all Christians can have unity with “born-again” Christians. Actually, **it's not about who they believe in, it's about who they are**.

We are to be in unity, and in a bond of love, with our brothers and sisters in the faith. That is, those who are family. Family for us is the family of Almighty God, not the family of believers. The Kingdom family has the spiritual DNA of Heaven inside them because they've been “born of the Spirit”¹. In other words, they are a new species², and the Holy Spirit lives inside them. These are the only ones we are to be in unity with.

Terry Bennett explains:

“The false unity movement that is sweeping us was foretold to me by Gabriel in 2001, that this would be the case, when I saw the present Pope. That is why I believe he is the False Prophet. Gabriel showed him to me. What would you think? That's what I think. If he is not the False Prophet, he is certainly a false prophet. What is surprising to me is probably as equally surprising to you. The number of Christian leaders who are following him, they are getting a blessing from him. Anyway, I had better get off that subject. That is the lostness of Christ in the house of God right there.

When this was foretold, this false unity movement was foretold, God was very clear about this and its coming. There is going to be a false religious movement in Israel. Be aware, I am going to warn you. Religious zeal is going to replace what is in Israel now – atheism. But that religious zeal will not be of God, but the Church is going to think so. That religious zeal will be used to rebuild the Temple so that the Anti-Christ can reign in it. And the children of God are throwing their money at it.

There is a false religious zeal movement coming to the nation of Israel. It is not the Holy Spirit. God, the Father, spoke this directly to me, “This will not be of My Spirit”. That is what He said. He said, “It will force me to scatter those people even more”. He said, “I would rather have the atheists believing in no god than having the zeal for the wrong god”. That's heavy, isn't it? I'm telling you the truth. Beware of what's coming. Beware of false unity movements in the house of God.

*There is only one way to unity, friends, and that's by Christ in you. Family is a matter of what life is in you – what life is in us. **We are one by the one life of Christ that's in us**. That's why we're one. We are not one in any other way. Look around. Are we one in here in any other way? What are our backgrounds? Are we one in our backgrounds? Absolutely not!*

Where is our oneness centred? It is in Christ, Christ in us. It is life-based. It is nothing to do with our grandparents or our parents or our bloodline.”³
