

The Lord's Attitude to Wealth and those Who don't Concur

Visitation of God in the Month of September 2000 in My Bedroom

The presence of God was so strong, the fear/terror of the Lord came upon me and I knew He was in the room. I was curled up in a foetal position. He was giving me an invitation to be a facilitator of wealth, a type of Joseph for the transfer of wealth etc. in the Last Days. I was totally overwhelmed and shocked and initially rejected the offer due to my fear and unworthiness and shock. He (God) said that He would pass me by and hand this mantle to someone else. After conversations back and forth I agreed. I did say to Father, “How can you offer me and invite me to participate with such a mandate, when even a man like King David 'a man after your own heart' still managed to fail”, ie committing adultery, murder and betrayal, etc. Knowing the state of my heart and vulnerability and in His presence I was very aware that I couldn't trust myself and here was God entrusting me with such a mandate and responsibility.
