

# The Path is Our Choice

**VIDEO:** “I Love Tim Allen, But I Never Knew THIS... Now? I Love Him Even More!”  
([youtu.be/oLpXHTgZv3k](https://youtu.be/oLpXHTgZv3k))

In this video, actor Tim Allen talks about 'The Builder' – viz. his version of God. This is all very nice and feel-good, but for us, it's not really what the Lord is looking for.

We are in a point in history where our King is taking his people out of the church system so he can train them to become his specialist troops for the 'Last Battle'. He wasn't able to release this through Rick when he was shown the details he recorded in his original trilogy<sup>1</sup>. However, today we are in a different era and our King has already started removing us from the system in preparation for what he was to reveal through “The Path” and its sequels.

Unlike the Tim Allen story, “The Path” shows that once we heed the call to come out of the system, we are offered the task of going on a training journey down 'the path' to become the New Jerusalem. Our response to the offer is 3-fold:

1. Run back to the church system
2. Go on our own path to possible disaster
3. Follow the Spirit as he leads us down the path

If we choose to go down the path, it is a process that is full of danger: attacks from the enraged enemy & situations as part of our refining process.

## The Path

***You need to read this book***

“The Path” is an end-time message from the King to his people. It's a must-read book as it contains information about you and me – i.e. his Kingdom citizens.

Read these important words from Elijah as he schooled Rick in understanding the journey:<sup>2</sup>

- *“No one can make it on this path who is not a disciple, and they certainly won't last long in the battle without being one.*
- *“You are the generation that was given the greatest resources, the most knowledge, the most freedom, but so few have come to the knowledge of the truth. Where are the shepherds?” the Voice lamented.*
- *“‘The last shall be first’, the Voice continued. ‘The generation emerging is called to be the greatest of all. Right now, it is in the worst shape of all. This happened on your watch.’”*
- *“As I said, the next step is the next step on this path. This path will prepare you, and I will help you. I was with John the Baptist to do this in his time. It begins with repentance. You cannot stay long on this path without a strong foundation of repentance. You must be quick to see your sin — quick to see your mistakes and to correct them. You are quick to see your sin and mistakes. This is helpful, but you have not been quick to correct them, and that can be your doom. Repentance is more than feeling sorry for your sin, it is turning from the sin.*
- *“Only a foundation of repentance will keep you humble enough to walk in the grace of God.*

*Humility is to be teachable and dependent on the Holy Spirit. This has not been a foundation that many have built upon in your time. You must start with preaching and teaching repentance.”*

- *“I prayed for the judgment of God to come upon my own nation. Then I had to challenge the false teachers and prophets of my time. This is a basic duty of the prophets. Where are your prophets? Where are your apostles? Where are the shepherds who will protect God’s people from the great deception of your time? Why are the wolves allowed to devour God’s people right in front of them and they do nothing?”*
- *Many think they are on the path of life, but have long ago departed from it. Only with the foundation of repentance can one find and stay on this path. Where the foundation of repentance is strong, there will be a victory over sin, not just remorse about it. The deadly trap for your generation is that they hardly know what sin is, much less how to turn from it.”*
- *“You are right in your judgment of yourself and your generation. The flock of the Lord is in very bad shape. As Jeremiah lamented, the sheep have become lost sheep because their shepherds have led them astray by making them turn aside to the mountains and hills, to things that will keep them excited and keep them moving. They are being led to the things of the Lord, but not to the Lord Himself. Many are now lukewarm because they have so much, so many distractions. Others are lukewarm because they are worn out from all the hype and continuous running to and fro.*
- *“You are right about your generation. Even so, the biggest victories can only come with the biggest battles. Your generation has failed, but it does not have to end in failure. Those who repent will be given the grace to change. Then they will be given one of the greatest honors of the ages—they will be allowed to fight in the last battle. All of the prophets and righteous ones have been waiting to see these days. You are living them.*
