Where are the Elijahs?

The American unraveling and the role of Donald J. Trump

There is a spiritual fog over the body of Christ that must be broken NOW!

The spiritual condition of our land is beginning to look like Israel under Ahab and Jezebel. A new “Secular Totalitarianism” wants to use the power of government to coerce and pressure you into submission. You are being told what to think, what to say and where you’re allowed to say it.

You are being forced to accept, often atheistic values that threaten your employment or small business if you dare to take a stand for traditional values. The new politically-correct rule-book is re-engineering college and is ready to target the church.

Soon sermons will be subject to review as potential articles of “hate speech”. Think this strange? Look at Canada. All this would accelerate under a new liberal Supreme court. The media is no longer reporting news but instead advancing the radical ideology of the left, all the mechanisms to disciple culture are being taken over and public opinion is being propagandized into alignment with the new agenda.

Where are the Elijahs?

They are stirring in their spirit and agitated in their soul. They are not indifferent.

I wrote a new book, [God's Chaos Candidate](#) ¹for you and released it during the Feast of Trumpets – a day after the Jewish New Year 5777 – because I am believing for a mighty uprising of faith and a new surge of freedom coming to America. This is a year of the prophetic clashing of swords. This book will sound a prophetic trumpet in your ear.

The Lord is raising up the spirit of Elijah to break the Ahab apathy and Jezebel seduction off the body of Christ.

Now is the time to arise – [read what I wrote](#) about the American unraveling and the role of Donald Trump.

And let’s talk...before it is too late.

As One,
