

## **A Modern-day Parable - Part 3**

### *Potato Potahtah – Tomato Tomahtah - Shemitah Shematah*

By Ron McGatlin

*[OpenHeaven.com Digest September 10, 2015]*

This is possibly the strongest or perhaps the most significant prophetic article that I have ever been given. In the depth of my heart, the Spirit within me is surging with two seemingly opposite oracles from God coming together as ONE MESSAGE for TODAY.

The subtitle of this message seems to make light of one portion of what God is saying. Certainly it is not at all light but one of the heaviest and most urgent words of this new millennium. Its purpose is to prepare us of the clearing of the land and cleansing of the foundations for this time of the seventh millennium and the third millennium since Christ Jesus.

However, in comparison to the glory of the other portion of what God is saying, it is a light thing.

This other part is by far the greater of the two that is swallowing up the lesser portion. However, both are real and required for understanding.

Some people of God are confused by the hearing of the two portions of the ONE MESSAGE from the prophets of God for this moment in biblical and natural history. Many are hearing only one half or the other half of this most important message. And, of course, the thinking people of this world can hear only the portion of the message that relates to the natural physical aspects of this word that is really of great spiritual significance. And there are also those who hear or see nothing of the natural or the spiritual but are occupied only with their own thoughtless existence and expect tomorrow to be the same as yesterday.

**Very simply stated, the ONE WORD of the two parts combined is:** The Kingdom of God is now beginning to fully manifest on Earth from Heaven. The world is entering a process of metamorphosis becoming new and different from what it was. In the process of metamorphosis the existing is liquefied and formed in a new and much more glorious form. The mature form is much better and more glorious than the neophyte form.

**One half of the word is:** Everything not of God on Planet Earth is being dissolved. This is seen as death and destruction to life on Earth as it has been. The caterpillar must dissolve for the butterfly to come forth. It is not the end of the world as some suppose but it is the end of things that were mixtures of darkness and light. Yes, this is the fire of God burning away the false simply making room for that which is of God to be formed in its place.

**The greater half of the word is:** First was the natural. NOW IS THE SPIRITUAL. The bright light of the glory of God in Christ Jesus is becoming one with and in the Sons of God on Earth. The entire world is beginning to be ordered by the Spirit of God Himself in and among His people. All-consuming love and endless power is becoming the operational standard. The end of the restraining of the works of God on Earth has begun. The greatest harvest of souls seeking to be born again, sanctified, and becoming one with Spirit God is beginning. Joy unspeakable and full of glory takes place as we become one with God in Spirit and in Truth. The world has never before seen a work and move of God of the magnitude of the harvest that is beginning.

**THE TWO MESSAGES MUST BECOME THE ONE GREATER MESSAGE**

In the true Kingdom of God message that Jesus calls the gospel of the Kingdom, the two prophetic messages coming forth today fit together as different parts of the one greater message.

It is important for us to receive the whole message of both parts that are coming forth today. Otherwise, we will become confused or bewildered by the words of warning of the end of things on the one hand and

on the other hand the words of spiritual prosperity or the beginning of new heights and depths of life in the Spirit. Receiving both parts of the one message is only accomplished by lifting our spiritual eyes higher to the true gospel of the Kingdom.

If we hear or receive only one part or the other, we become imbalanced and will tend to despise and belittle the other message. In doing so we can add to the confusion of others who are looking to us for help in hearing God for guidance and direction. Usually if we are hearing and fixed on one part to the exclusion of the other, we have some lack or need remaining within our own hearts. If so, it is back to the altar time asking God what is yet clinging to my heart and life that needs to be dealt with by dying to it and/or by being healed.

### **Babylon is ending, and New Jerusalem is beginning.**

Babylon cannot be upgraded or repaired. It is over, and the warnings are to those yet abiding in the Babylonian mixture. At the same time, New Jerusalem is being formed on Earth from Heaven and cannot be destroyed nor can defilement enter it.

God's people must now flee out of Babylon and begin to seek the New Jerusalem Bride of Christ life of purity and holiness in the Spirit of God. Many have sought to serve two masters or walk in mixture and depend upon the mercy of God and the cross of Christ to save them. Yes, they may make it to Heaven, and that might be very soon. Because they cannot enter into the New Jerusalem life of the purified holy Spirit Bride on Earth to establish the Kingdom of God now on Earth.

Either way their lives of confusion and strife will not continue; their deliverance is by Christ Jesus now on Earth or in their natural death and transition to Heaven. To be absent from the body is to be present with God. The great work of becoming pure holy mature Sons to establish the Kingdom of Christ across the entire world can only be done by the perfected Sons in whom Christ Jesus fully dwells now in this life. Where Christ abides and rules there is no mixture of darkness. Christ in you is the hope of glory being manifested into our world now and that will further develop in the months and years to come.

### **Sealed With the Holy Spirit of Promise**

God is calling out and sealing a people with the promise of God in the Holy Spirit. Now is the day to seek Him with our whole hearts and receive the mark from the angel of the Lord to be sealed for the work in the time to come.<sup>1</sup> Thousands may fall at your side, yet it shall not come near you as you walk sealed of God in the Spirit of God.

There is no fear in the Spirit of God because the love of God has purified our hearts, and we walk not according to this world but according to the Spirit in the manifested life of Christ Jesus living in our bodies where we once lived.

There is no way to over emphasize the significance of this season that we are now entering. The Day of the Lord is upon us.

Who shall stand in the manifesting of the fire of God upon the nations of the world? Those who walk upon the stubble of the Earth and tread upon serpents – those who are more than conquerors and can do all things by the power that works in us. We are entering life in the Spirit of God without mixture in which all things are possible. All things are under the feet of Christ Jesus, and the kingdoms of this world are becoming the kingdoms of our God.

The great shaking and the great redemption of the harvest is beginning. The tares are beginning to be gathered, and we may be surprised at which plants are the tares and which ones are the true Sons of the Kingdom of God who will shine forth as bright as the Son. The glory of God shall fill the Earth.
