

## **Becoming a Kingdom Seer**

Dear Partner,

God is calling us to become Kingdom seers. I wish to share a few thoughts about Elijah the seer.

*1st Kings 18:1 – "After a long time, in the third year, the word of the LORD came to Elijah: 'Go and present yourself to Ahab, and I will send rain on the land'."*

It is amazing to know that in an entire nation, one man Elijah knew:

- When heaven will be shut
- When heaven will be open
- When heaven will bring down fire
- When heaven will bring down rain

God raised Elijah in that nation to:

- 1) Know what God was about to do
- 2) How he should have abundance in the season of changes and adversity
- 3) How he should do whatever God tells him to do -

*1st Kings 18:37 – "Answer me, LORD, answer me, so these people will know that you, LORD, are God, and that you are turning their hearts back again."*

- 4) Shut and open heaven
- 5) Make changes in the course of heaven and earth

Many of us who love God have never imagined that God would invest such a measure of influence in and through our lives. This year God is challenging me to become a kingdom seer.

### **WHAT MADE ELIJAH A KINGDOM SEER?**

- 1) He displayed the authority he had received from God to the local society and nation
- 2) He demonstrated prophetic insight and the increase resulting by fulfilment. This was clearly seen with the widow, the flour and oil
- 3) His ability to see heaven shut and open
- 4) The way he brought forth a national revival
- 5) The ability to impart a double portion – twice of what he carried

### **HOW CAN WE BECOME KINGDOM SEERS?**

- 1) By desiring it
- 2) Always being willing to know what God is doing and what he is about to do
- 3) Being willing to know how GOD makes things in heaven and earth work
- 4) Being eager to see nations repent and turn to God
- 5) Always being willing to impart more than what you possess and carry

*John 14:12 – "Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father."*

It is God's desire that we see beyond our limitations to the great plans that He has made for us. Let us strive to be Kingdom seers!
