

Crystal Clear Anointing

By Ron McGatlin

[OpenHeaven.com Digest December 13, 2013]

A word in season for the now season of 2014 and beyond.

The freshest and most pristine move of God is approaching in the spiritual realm to prepare a people to rule and reign with God on earth. A fresh clarity of spiritual vision and spiritual ears to see and hear precisely in the Spirit, without shadows and interference, is coming to take us to a place of His victory in this life as well as assurance about the life to come.

Mixture has produced shadows upon much, if not most of the Western church. A Holy Ghost infiltration of pure light, love, and clarity of understanding is coming that will affect everything about life and ministry in our world. Not everyone will experience or even see the sparkling brightness of the glory and grace that is peacefully invading and filling the lives of His kingdom servants, anointing them for the healing of the nations. Holy Angels (ministering spirits) working with the maturing sons of God will bring healing to the land and its people.

Pure and holy without spot or blemish gliding into the atmosphere of natural life from heavens majesty comes the glory fire of righteousness. The magnificent power to right every wrong and dissolve every evil is soon alighting upon and arising within the spirits of pure-hearted sons and daughters of God.

Humble men and women who know the heart of God will sow the seed of Christ Jesus our Lord and King into the good ground of hearts made ready through the hardships of life under persecution.

This is not a revival as we have known in the past. No mixture can attach itself or cast its shadow upon the Holy Ghost infilling and subsequent outworking of the pure works of God coming to earth to impart pure life where there has been a mixture with darkness. The deeper the darkness has been in an area, the greater the brightness of God will shine in the prepared hearts.

The proud and the haughty shall be humbled in the glorious pristine purity of the living God abiding in and with His people. The haughty lion will lay down in peace with the Lamb. There shall nothing that raises itself against God remain in the hearts and lives of those purified in the rarefied air of the holy presence of Almighty God that is even now approaching the shores of your life and mine.

The cloud is moving and we cannot stay where we are.

We cannot remain where we are spiritually. The "Body of Christ" must also be the Bride of Christ – the HOLY PURIFIED BRIDE of Christ Jesus our Lord and King.

Some have said that because Jesus said, "it is finished" on the cross, the work of Jesus is already finished, while need, greed, and strife still exist in hearts sick with despair and depression – while the foolishness of the shadows of mixture are infecting lives with the devil's trash. All who will open their spiritual eyes will soon discern what is finished and what is being finished. I am troubled in spirit when I hear the voice of the foolish one coming forth from people who are called servants of God saying it is finished while their lives continue to speak, "It is not finished in me". Yes, in Christ Jesus and Christ Jesus in us, we are complete. However, there is absolutely no shadow of mixture in Him.

The great potential of all time and history is here before us. This great potential is for us to truly become one with the finished work of Christ Jesus. The finishing work of God is invading our land in a freshening of the brilliant reality of the life of Christ Jesus. A fresh enlightenment of

Spirit Christ in the manifest presence of the Holy Spirit is gliding quietly into our lives bringing us into a fullness of truly being in Him, filling and saturating our lives in the brilliant life of God by His Holy Spirit.

Only when we are completely in Him is it finished in the spiritual realm. Only when He is fully in us – only when we are completely filled with Him is our redemption and restoration finished in the natural realm.

Are we there yet?

Is there anything in Christ Jesus that defiles? Is there any sin in Him? Are there even occasional bouts with pornography in Him? Is there any lust, greed, or strife in Him? Is there any fear or insecurity or pride or need in Christ Jesus?

Certainly there are not any of these things in Christ Jesus! Not even a tiny particle of sin is IN CHRIST JESUS.

If there are any of these things remaining in us – if there is any sin, how then can we possibly be in Him? Can we carry pornography or any sin into Christ? Obviously we cannot. We cannot be in Christ and in sin at the same time.

Speaking of the New Jerusalem, Bride of Christ lifestyle, it is written in Revelation 21:27, "But there shall by no means enter it anything that defiles, or causes an abomination or a lie, but only those who are written in the Lamb's Book of Life."

We walk in Christ as we walk in the Spirit – the Holy Spirit – the Holy Ghost.

Romans 8:1-2 *There is therefore now no condemnation to those **who are in Christ Jesus, who do not walk according to the flesh, but according to the Spirit.** For the law of the **Spirit of life in Christ Jesus** has made me free from the law of sin and death.*

Galatians 5:25 ***If we live in the Spirit, let us also walk in the Spirit.***

When we walk in the Spirit, we no longer fulfill the lust of the flesh. Therefore sin is not in us. We are holy as God is holy and become one with the Spirit of Christ and the Spirit that raised Christ from the dead. Neither, pornography, coveting, nor any other sin will remain in our hearts and minds when we are truly in Him and He is truly in us.

Romans 8:5-14 *For those who live according to the flesh set their minds on the things of the flesh, but **those who live according to the Spirit, the things of the Spirit.** For to be carnally minded is death, but to be spiritually minded is life and peace. Because the carnal mind is enmity against God; for it is not subject to the law of God, nor indeed can be.*

*So then, those who are in the flesh cannot please God. But you are not in the flesh but in the Spirit, **if indeed the Spirit of God dwells in you. Now if anyone does not have the Spirit of Christ, he is not His.** And if Christ is in you, the body is dead because of sin, **but the Spirit is life because of righteousness.***

But if the Spirit of Him who raised Jesus from the dead dwells in you, He who raised Christ from the dead will also give life to your mortal bodies through His Spirit who dwells in you.

*Therefore, brethren, we are debtors--not to the flesh, to live according to the flesh. For if you live according to the flesh you will die; but **if by the Spirit you put to death the deeds of the body, you will live.** For as many as are led by the Spirit of God, these are sons of God.*

Not Your Grandpa's Revival

This fresh move of God is not as the revivals and outpourings of the past that were wonderful but were often largely visible on the outside more than totally effective on the inside. Evil works and ways were greatly suppressed during the experience of refreshing and renewal but not completely eradicated. The subdued spirits of evil became hidden and dormant in the presence

of revival. Later after the strong influence of the external spiritual activity abated, often the old life raised itself back up in the people.

The now arriving move of God is an internal holy fire that completely devours wickedness with the cleansing of the pure holy love of God filling every cell of our being, our spirit, soul and body from within. There is little to no regard for external circumstances involved in this work. **Lives are permanently changed.** The old life is no longer there at all. The new life of God in Christ by the SPIRIT of God is the only life within us. There are no more internal battles with an old sin nature or any other evil. The old is gone forever, and the life of Christ is the only life in us. This is the fullness of the kingdom of God on Earth in His mature sons ready to deliver the finishing of the work of Christ Jesus to this world.

The work that Christ Jesus began over two millennia ago, the work of transforming this world to “as it is in heaven” will be finished as He does again the same works than He did in the beginning and greater works. He does the greater works now because He finished the work of the cross and returned to the Father’s throne. He then fulfilled the promise of the Father by returning to this world in the Holy Ghost to do the works of God in a multitude of sons in whom He fully lives. The apostles of the Lamb along with the others present at Pentecost became the first people on earth to experience the life of Christ Jesus in them by the Holy Spirit. They also faced tremendous opposition and persecution.

The Battle with Hell on Earth

Since the time of Pentecost, the battle with hell on Earth has raged first in the hearts and minds of the people and then in their life experience on Earth. Vast numbers of human beings have lost the battle in their hearts and minds and now live a “hell on Earth” life experience. **Yet, there are multitudes that have tasted the first fruits of the saving work of Christ Jesus and are in desperate need of the fullness of the Holy Ghost work of complete eradication of the old and the fullness of the pure holy life of God replacing the old lives they once lived. Spiritual death, true crucifixion with Christ must precede the fullness of resurrected life of Christ becoming our only life.**

This is the next work of God in the Holy Ghost sailing into our lives in this new season that is coming upon us. The opportunity will be fully in place and fully available to us in this miraculous season of Spirit life. We only have to receive with open arms and hearts, the arriving fresh season of the work of God. Paul’s words in Galatians 2 are no longer just a great concept to ponder; they are a reality of life coming into us.

Galatians 2: 20: I have been crucified with Christ; it is no longer I who live, but Christ lives in me...

If we live in the Spirit, let us also walk in the Spirit - Romans 5:25.

Live in the Spirit, Walk in the Spirit,
