

Crystal Clear Spirit Connection

[OpenHeaven.com Digest March 13, 2015]

The world around us goes on day by day as if tomorrow will be much like today and yesterday. Even those who sense coming change and potentially hard times of severe difficulty seem to be considering future plans as if the things of natural life will be somewhat the same as they are now. It is almost impossible for human beings to imagine that most everything in their natural world can change suddenly.

As it was in the day of Noah, so is it today. Life went on as usual. Noah appeared really strange to everyone around as he prepared for the day of a really big change on . There was nothing in the atmosphere or daily conditions that indicated to Noah that the great change was coming. He did see the degradation of the people, yet that had been going on for a long time and life had continued as usual. The day before the flood, the people were eating and drinking and being married as usual. Social and political life went on because the people had NO ears to hear the voice of God.

Today prophets are speaking to the western world, especially America, about great division within the nations and great upheaval among ethnic groups and about foreign fighters planted among the people of the nations that will be strengthened by foreign armies invading at the request of one major group to take control of the other group. The prophets warn of great economic devastation and much famine and lack of life necessities. In other words, a flood of adversity crushing the western nations.

God is merciful and has sent all that is needed to change our world from its present course of godless, foolishness, and self-abasement. God has spared nothing, not even the crucifixion of His only begotten Son to provide for the transformation of mankind from seeking everything else in the world to seeking the Kingdom of God.

The world is dividing now into two opposing groups of which only one group is assured of survival. The two groups are not Christian and non-Christian or believer and non-believer and not black and white though; these things have some part in the division. The two groups that transcends all others are the survivors and the non-survivors.

Those who Hear God Clearly and Those who Do Not

Those who clearly hear God will be able to know who to trust and who they cannot trust. They will know where and when to go to find a place of security and provision. God can lead them by His Spirit as they intimately relate to Him and move as one with Him. Yes, some who hear may become martyrs along with others. However, there will be those who survive to bring forth the Kingdom of God on Earth.

Who can clearly hear God? Only those who are intimately related to God, those who not only know Him but are intimately known by Him.

Please do not let these familiar words become trite to you as if they were just another religious teaching. Everything of our future hinges on truly knowing the transmission of direction and redirection from God by the Holy Spirit. His specific directions and corrections are key to our survival and to our becoming the fullness of mature Sons moving as one with Christ Jesus on Earth.

The voice of God is a pure clear transmission from Heaven resonating within the spirit and soul of the hearer. God's words are alive with creation. They are alive with His life. His words are light, love, wisdom, and power. All the attributes of God flow in the fullness of the frequencies of Spirit God in Heaven forming all creation, all life and time.

Every Spirit voice modulation from the heart of God in eternity carries living design and substance of God's will in perfectly coded seed form to become tangible existence in the realm of time. All creation and life flows from eternity into physical/natural existence in the realm of time.

The substance of Spirit energy and design emanates from Spirit God encapsulated in Spirit energy particles, words that create or change creation. The Spirit seed received in the hearts of God's prepared Sons is planted in our souls and is spoken forth as it resonates life within us. The spoken word of God spoken through Christ Jesus within us brings forth the will of God being done on Earth.

All creation comes through the Son of God, Christ Jesus, Lord and King of all. By Him and through Him all things were made and consist. The productivity and longevity of our natural lives relate to our spiritually hearing and seeing what God is doing. Christ Jesus in us has all power and all wisdom to establish the Kingdom of God in this world. He is the Word sent to accomplish the perfect will of Father God on Earth as it is in Heaven.

John 1:1-5 – In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were made through Him, and without Him nothing was made that was made. In Him was life, and the life was the light of men. And the light shines in the darkness, and the darkness did not comprehend it.

*John 1:10-14 – He was in the world, and **the world was made through Him**, and the world did not know Him. He came to His own, and His own did not receive Him. But as many as received Him, to them He gave the right to become children of God, to those who believe in His name: who were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God. **And the Word became flesh and dwelt among us, and we beheld His glory, the glory as of the only begotten of the Father, full of grace and truth.***

*Colossians 1:15-17 – He is the image of the invisible God, the firstborn over all creation. **For by Him all things were created that are in Heaven and that are on Earth, visible and invisible, whether thrones or dominions or principalities or powers. All things were created through Him and for Him. And He is before all things, and in Him all things consist.***

Do not be discouraged by the great turmoil coming about in the world. God has never lost control, and His mercy is forever. His love never fails. He is preparing a pure and holy people in whom and with whom God dwells to bring forth the fullness of His Kingdom on Earth. Continue to minister in pure holy love and power to one another and take in those who are running from the fires of judgment to be saved and healed from all their iniquity. The harvest time is approaching, and you are here to lead and disciple them into the real kingdom. The souls coming in will bring of the world's goods for provision all under the cover of God's protection.

The brightness of Spirit God preparing the Sons of God to emerge beyond the season of cleansing judgments will be hidden from the marauding armies of darkness that threaten to kill, steal and destroy the Kingdom of God. After the tares are removed, the Sons of God will come forth in the brightness of the glory of God to renew and restore the fullness of the Kingdom of God. Their pure holy love will bring forth power and wisdom in the fullness of JOY across Planet Earth. Christ Jesus in His people shall rebuild the old ruins and PEACE shall reign in the land. There will truly be peace on Earth and goodwill toward man in Christ Jesus our Lord, Savior, and KING. And of His kingdom there shall be no end.

Walk in the Spirit, and live in the Spirit.
