

Glimpse Into 2015

By Clay Sikes

[OpenHeaven.com Digest January 06, 2015]

There is a flow of heavenly light coming into the Earth as we approach 2015. This light is an evidence of His presence (Kingdom), lighting the path that was once so dimly lit. The government (Kingdom) of God grows strong in His first fruits company, compelling correct decisions, direction, and destiny.

The path of light (life) is the flame we are to follow in the dark world in which we live, as the stark contrast will draw many from the darkness into the glorious light of the Kingdom. The phenomenon of contrast is the 'tool of our time'. Watch now, as God begins to distinguish His own from the dark world surrounding them.

Those who seek Kingdom (government) on Earth will find it, and their citizenship in that Kingdom will produce what no government of man can – PEACE! Look up, and recognize you are cared for by the King of Kings; invited into His Kingdom "on Earth as it is in heaven". Enjoy your citizenship in the only government that matters – its benefits innumerable, its time is now, and so is yours!

The words "Happy New Year" never meant so much! To God be the glory!
