

# Kingdom Reality Is Upon Us

by Tage Mathisen

[OpenHeaven.com Digest March 05, 2015]

Recently, Dana and I had an amazing encounter with the Lord. In short, He came as the Ancient of days into our peaceful place of rest in the night. Both Dana and I encountered "The Fear of the Lord". Dana was awakened by His face just over hers in the middle of the night. So in the dark He came into our room, and she screamed out, and then I was awakened and screamed out to, wondering what was going on. We both could feel a heavy presence of "fear" but this was different from evil fear, it was like a covering of cool balm was put over us and we could sense a strong presence in the room. Suddenly it seemed like this "fear" went into our stomach area.

Truly we have cried out to Him to encounter Him. But what we encountered that night was both frightening and amazing in so many ways.

I asked Dana what she saw and she told me that she saw a face that just looked at her, and his hair was like white wool, like sheep hair. Then the Lord spoke to Dana and He said: **"What you saw was reality, and reality scared you!"**

In a dream I had just before we entered 2015, the Lord showed me as He came through a veil that we could not see in the natural and that He will come through the **"veil of our own understanding"** to show us His true reality. His reality is far more real than what we perceive as reality. You can read the word here: <http://1soul1nation.blogspot.com/2015/01/prophetic-word-for-2015-black-tornados.html?q=black+clouds>

## The fear of the Lord

*Proverbs 9:10: The fear of the Lord is the beginning of wisdom, And the knowledge of the Holy One is understanding.*

The Lord is revealing Himself to us in new ways. He is opening up for the reality of His Kingdom. In many ways a new era has come upon us. He is ushering in a reality of Himself and His Kingdom. As the encounter we had with Him was different from anything we have ever encountered before, so is His Kingdom era different from the previous. In fact it is so different that many will be "frightened". By saying that I know that there will be a "rude" awakening for many, but for some it will be like a fresh breeze coming towards them as they see everything come into place and order, and everything make perfect sense. This is what has begun to happen to Dana and I. We see now that all the pieces are coming together in perfect order, bringing peace and harmony.

I will tell you right now that the fear of the Lord is real. We felt we received an impartation that night of the beginning of His wisdom and understanding. What I find interesting in this, is that from Isaiah 11:2 it clearly tells us that the Spirit of wisdom and understanding are paired, and that the Spirit of knowledge and fear of the Lord are paired. They are part of the lamp stand that has 7 lamps. The other pair is The spirit of counsel and might (strength) and the seventh is the Spirit of the Lord.

Jesus walked on the earth as He demonstrated the Kingdom of Heaven on earth. Today He is ushering us into the reality of this, and we are beginning to see the dawn of this epoch of His Kingdom.

## The Divine Kingdom

The Lord has given me many dreams the last years in which He shows me that His Kingdom is like a mountain. Every time He instructs me to go up to the top of the mountain. Like Moses was taken up, He is now calling for those who have ears to hear and eyes to see to come up to Him to the top

of the mountain to receive a glorious impartation of divine instructions that will give wisdom and revelatory understanding of His Kingdom. It will be so clear that it will become reality. His reality will super impose on what we call reality. He is answering our prayers:

***"Our Father in heaven, Hallowed be Your name. Your kingdom come. Your will be done On earth as it is in heaven. Give us this day our daily bread. And forgive us our debts, As we forgive our debtors. And do not lead us into temptation, But deliver us from the evil one. For Yours is the kingdom and the power and the glory forever. Amen. Matthew 6:9-13***

As we embark with Him on this new adventure, He will steadfastly lead us and we will walk from strength to strength, and glory to glory.

Anyone that has been up on some of the highest mountain tops in the world, knows that they need oxygen to survive. What the Lord is saying to me is that we will learn to breath again, like new born babies, because He is teaching us how to live in this new reality of Him and His Kingdom. In His reality everything is flowing out of His pure holy love for us and as we breath in His love we will be changed. This is far more excellent than the oxygen you need to be on the highest of mountain tops. This is an impartation of what created all things. In this atmosphere no evil can exist, it it too pure, too much light and too much love. Perfect love casts out all fear.

I see Jesus when He walked the earth and the demons screamed out to Him as only His presence brought them to the surface. It was as in *Luke 4:33-35*:

***Now in the synagogue there was a man who had a spirit of an unclean demon. And he cried out with a loud voice, saying, "Let us alone! What have we to do with You, Jesus of Nazareth? Did You come to destroy us? I know who You are "the Holy One of God!" But Jesus rebuked him, saying, "Be quiet, and come out of him!" And when the demon had thrown him in their midst, it came out of him and did not hurt him.***

Get ready to see true Kingdom authority come forth in and through you. The Kingdom of God is a here and now paradigm. Huge changes are now coming forth and we must keep trusting in Him and allow His Kingdom to come and allow His will to be done on earth as it is in heaven!"

Much love and grace
