

Seeds From Heaven

By Ron McGatlin

[OpenHeaven.com Digest May 02, 2014]

There is a continuous flow of life of God from heaven to mankind and to planet earth including all that is on it. Everything pertaining to this life and this world emanates from Father God in heaven. God is Spirit. Heaven is a place of Spirit. Spirit God generated and created all that exists in the natural world including everything that is seen with the natural eyes of man in the heavens.

Man was created by God to be His living breathing Sons, Spirit beings in a marvelous natural body with a God-designed soul made in His image.

As originally created Sons of God, mankind was fully Spirit God's child with His DNA, full inheritance in Him, and directly connected to the Father. God breathed His life into Adam and God was with man.

God's children were originally designed and created as "God's life in natural bodies". There was no separation or division. There was only one God in heaven and on earth. God in heaven in a Spirit body and God on earth in an earthly body.

God's original plan is His final plan. There is no other permanent plan of God. The family of God possesses the kingdom of God, the kingdom of heaven on earth.

The Garden of Eden was "on earth as it is in heaven" – the kingdom of heaven on earth, God from heaven walked as one with God in earthly bodies.

Historically the fall of mankind and the subsequent separation from God is TEMPORARY. It is not the permanent or final state of God in man on Planet Earth.

The full redemption and return back to the original and the final state of God in man is in process now. It has been in process since Christ Jesus was crucified, rose from the dead, ascended to heaven, and returned in the Holy Spirit to fully abide in man. The completed redemption and restoration is now within sight, in the Spirit realm of God. Probably, it has never before been seen as clearly by God's people as it is now being seen in the Spirit in our day.

Seeds of Life Emanating from God in Heaven

In this day of the seventh millennium since Adam and the third millennium since Christ Jesus, there are living seeds continually flowing from God in heaven into the hearts of prepared men and women of God. Father God in His creating voice that spoke the world into existence is speaking living patterns of the full redemption and restoration of man and Planet Earth to His one and only permanent plan.

Words from God in heaven are living seeds of the kingdom of heaven coming forth on earth. Words from God are not just letters on a page. They are living patterns of creative life and understanding received in visions, dreams, spiritual understandings that go far beyond knowledge, specific directions, and impartation of glorious desires for the beautiful life of fruitful gardens filled with love of God dominating and filling the world. Understanding of supernatural reality of love and all its attributes are literally being seen and felt as words from Father.

Sons of God speaking forth these words from God, in all their fullness, out to the people of God across the earth plants the living seeds into the hearts of God's prepared people worldwide.

These word/seeds of God's kingdom of righteousness, peace, and joy flow in the Holy Spirit of God

into the rich fertile soil of the creative capacity of God in natural bodies on earth. God in heaven is then become God on earth living and proclaiming the growing seeds of heaven into the soil of the earth.

Today this process is a reality only within those who are prepared by the cleansing processes of Christ Jesus in the Holy Spirit. Every person on earth in whom Christ dwells has within themselves, through Christ Jesus by the Spirit, the potential to become part of the process of bringing forth the kingdom of heaven, The New Jerusalem on earth.

However, not every person will respond to the call of God to “come up higher” and receive the words/seeds from God in heaven to become the field of God growing the kingdom of God’s love into the reality of life on earth. There are those who have hardened their hearts and believed the strong delusions that will deny the reality of God and His kingdom reality on earth. They fight with great fierceness to stop and destroy the kingdom of God reality on earth. They are planted with great swelling words/seeds of darkness from the enemy. Through deception they become agents of anti-Christ spirit seeking with all devilish cunning and fierceness to kill and destroy all who have the beautiful seed of the kingdom growing in and through them.

God’s Work of Love in Cleansing Judgment

The first work of love in the cleansing of the land is the cleansing of every person who will turn to Christ Jesus and receive by the Holy Spirit the full redemption of God in their hearts and lives. These are those who will turn from their wicked way, repent of their sin, and be healed in the land of their hearts. As the fiery cleansing judgments fall upon the land of this world, those who have buried deep within a willingness toward God will respond in the time of the fiery judgments by turning fully to God for total cleansing.

Others will continue to believe the lies and will curse God and be cut off as fruitless branches and removed from this world. It will be as if all they were and all they had built against God is dissolved by the fire of God.

Thus the earth is cleansed by the life of those who have turned to God and by the removal of those who would not turn to God. Everything that exalts itself against God will be dissolved by the fire of God coming to earth to restore the original plan of God on earth.

This is all the work of Christ Jesus.

Christ Jesus came to earth to accomplish the work of the full redemption and restoration of the kingdom of God on earth as it is in heaven.

This work can only be accomplished through Christ Jesus, Emanuel – Christ with us. If Christ had not come, these things could not be done. The new breed of pure holy love-filled people of God are directly the result of the work of Christ at the cross, resurrection, ascension, and return at Pentecost in the Holy Spirit to indwell His people. The fresh redemptive breath of God is breathed into the last Adam – Christ Jesus abiding in natural bodies, and the kingdom of God is restored on earth.

There would be no judgment coming now if there were not a people being prepared as seeds of God to sow forth the new world – the kingdom of God on earth as it is in heaven – The New Jerusalem ruling city of God with His people as one, no longer separated or divided from eternal oneness with God on earth with us now.

Now is the day of the LORD on earth. The gospel of the kingdom is now being proclaimed across the world for the first time since the apostles of the Lamb proclaimed it in the first century. The new birth salvation gospel has been proclaimed, but only in the past few decades has the world began to be exposed again to the gospel of the kingdom as Jesus and His disciple proclaimed it.

The manifest presence of God is now with the mature Sons of God as He was with the first disciples. Supernatural works of God are now manifesting through the called out purified holy people of God, much the same as they were in the time of the first proclamation of the at hand kingdom of God. Over the past century the works of God have often been merchandised by ministers of mixture as the Holy Spirit was poured out upon flesh. The purified sons and daughters of God that are now being birthed and growing into maturity hidden from the world under the canopy of darkness have been invaded by the Holy Spirit with the pure holy love that burns out all impurities and fills them with the life of Christ Jesus.

Persecution is arising as intensely as back when the kingdom was first proclaimed by Jesus and His followers. However, all of this is amplified and on a greater scale across the world as there are more pure-hearted prepared people of God willing to sell all they have to carry the burning love within them to all who will hear and received the reality of Christ Jesus bringing forth His kingdom on earth as it is in heaven. At the same time there are more anti-Christ deceived people in the world than ever before.

The kingdom is not proclaimed in word only.

It is no longer a work of speaking only the words. Words spoken are now bearing fruit, and there will be demonstration of the power of the spoken word.

People are drawn to the holy pure supernatural spiritual fruit of the kingdom carriers. Other people who will not hear are greatly repelled by the reality of the kingdom coming forth in this day. As the pure holy love of God manifests the power and wisdom of God, the world is divided. Even within one house there is division that cannot be rectified, when the love and power of God manifest in their presence. Those we once were close to may suddenly become distant to us, and those who were distant may suddenly become close with us. Those who were friends may become enemies, and those who were against us may join with us. The separation of the sheep and goats is the work of God, and we do not have either permission or power to override the work of God in the separating process.

If you are hearing God calling you, do not hold back. The time is intense, and the pace is very rapid. Spiritually we must become able to run with the horses, which is to move with the power moves of Spirit God on earth. This is a spiritual reality that is in the Spirit and not in our natural strength. Our natural strength can do nothing in moving into the supernatural spiritual reality of the season we have entered. Only by the life of Christ flowing in us by the Holy Spirit will we release the love, power, spiritual strength, and wisdom to move with the angels from heaven and the army of pure holy spiritual lovers of God. All power on heaven and earth is available to us through the invasion of the Holy Spirit taking full charge in our lives.

There is no fear in love, and all of this works by love.

If we live in the Spirit, let us also walk in the Spirit – Galatians 5:25.

Live in the Spirit, Walk in the Spirit,

Ron McGatlin
