Bill Johnson, Jesus Culture and Bethel Church

A move of God? Or a lie?

But what I do, I will also continue to do, that I may cut off the opportunity from those who desire an opportunity to be regarded just as we are in the things of which they boast. For such are false apostles, deceitful workers, transforming themselves into apostles of Christ. And no wonder! For Satan himself transforms himself into an angel of light. Therefore it is no great thing if his ministers also transform themselves into ministers of righteousness, whose end will be according to their works. 2 Cor 11:12-15

I hope you were able to listen very carefully to this discussion. These men are not speaking of true Christianity, nor of the Creator of the universe. Their arrogance and lack of fear of the Lord is palpable. They worship a false god, preach a false gospel and are expanding the influence of their false teachings at an alarming rate. Please pray for those who are caught in the deception of Bethel Church, Jesus Culture and their many new age/occult activities. Please also pray for these men, as they too are lost and in need of salvation. (I make no assessment of the eternal destiny of these men, only their current spiritual state. Their repentance, should the Holy Spirit so move them, will lead them to salvation).
