

The Greatest Obstacle to Gaining the Truth

By Clay Sikes

[OpenHeaven.com Digest July 31, 2014]

The greatest obstacle to gaining the truth is the assumption we already have it. Seldom do our circumstances change without something in us changing first. We can, and will, stay in the muck and mire of current circumstance UNTIL we shed our own "traditional" understanding of truth. Why? "Because traditional thought and understanding often make the TRUE WORD OF GOD TO NO EFFECT."

The strength of the oppressor lies in the ignorance of the oppressed, and in this day of changing spiritual eras, many are stuck in the 2nd Day message while living in a 3rd Day season.

There are some lessons that can only come in the Lion's Den, hence the fires of affliction (judgment) first falling on the true ecclesia to separate us from the world, and at the same time, placing a 3rd Day understanding into our 2nd Day mindset. The 'world' is anywhere and anything on this planet where the law of the Spirit of Life in Christ Jesus is not in force.

Where is your current pressure? Where is your current fire? Open yourself to the fires of affliction that come, such that the garbage of traditional thinking can be consumed; AND THEN watch freedom and Liberty emerge beyond anything you can imagine.
