

The Spirit of the Mighty Warrior has Come

Ruth shared this with us at our Kingdom Community meeting:

“Cindy Jacobs was with us last Thursday night at the 20th Anniversary Party for HIM and she prophesied that the 4th Wave of the church had begun, a reformation wave! That very same night I saw in a dream the Spirit of the overcomer being poured out! Waves of courage and faith like we haven't seem in some time began pouring into the church!

And I heard the Lord say, *"The Spirit of the mighty warrior has come! And even though the enemy has come in like a flood, I am raising up a standard against him, and you, my people, are that standard. You are called to be the banner of victory that I wave in the face of the enemy! It's my love that will carry you to victory! For you are my beautiful bride that I will show off to the nations for I am infusing you with my love. And the power of this love will release many from out of the dungeons of despair that hold them captive to fear and doubt. For an army is being assembled; mighty men and women of faith that will not be afraid of the battle, but will stand courageously for righteousness and truth in the midst of it!"*

And then suddenly I saw a bright light flooding a battlefield. And I realized that the light was the Spirit of Revelation being released to reveal the power of His love! And it was His love that was pushing back the darkness and releasing His glory! And I heard Him say, *"These are the days of encounter and my people will encounter me and experience a a greater revelation of who I am. And I will flood their hearts with courage and with strategy to defeat the enemy."* And then I saw waves of His glory and power rolling over them washing away the fears of the past and leaving in its wake a bright hope for the future!

And then suddenly I saw even more light being released. There was now so much light that the people were beginning to see the warring angels surrounding them. And great faith and confidence in the Lord rose up in them. And that was when the Lord of angel armies began releasing the Spirit of the Mighty warrior which in turn released a Spirit of peace and calm. And I heard the scripture, *"I have left you with the gift of peace-My peace. Not the kind of fragile peace given by the world, but My perfect peace, so that you will not yield to fear or be troubled in your heart, but instead, you will be courageous! For I am sufficient and always enough. For I am your sufficiency for all things!"*¹
