

Voices of Golden and Silver Trumpets

There is an amazing "trial by fire" that many are going through right now that is associated with the call upon their lives – these ones are voices of "Golden" and "Silver" Trumpets. These voices of golden trumpets and silver trumpets are sent from Heaven to release the will of Papa on earth as it is in Heaven.

These are voices that are trumpeting in accord with Papa's heart of **societal restoration** – and the gates of Hell are in full panic mode at what these trumpets are able and will be able to release. Specifically there has been a diabolically released assignment against the present and future voices of God – and ALL of these assignments will fail.

My own niece was born two weeks ago with a paralyzed vocal cord, and everything about her name, her call, and prophetic markers tell us that she is one of these golden trumpets of God. Accordingly, she is already being miraculously healed – but, yes, after spending two weeks in intensive care.

My new adopted son, who is an amazing and accomplished singer with an unbelievable testimony, is in recovery for a surgery on his vocals cords and he is one of these "silver trumpets". He too is going to be more than fine.

Intense Tests

There are also seasoned men and women of God going through intense tests right now – tests the enemy has hoped would shut down their voices. These assignments are all destined for failure; and these men and women of God are all destined to release even more authority through their voices.

The only way the enemy can win – is if you quit. Outlast the trial and you will be in your next metron of authority. For all of these given the silver and golden trumpets, you will absolutely come back and you will rout the enemy.

You were given a great test so you could receive a great promotion. Worship your way through to victory.
