Q: Where are we in the Last Days?

A: “We’re in the Last Days as I have told you and I’m coming soon. I have been waiting; I have been stalling.

These are the Days of Elijah that I prophesied. These are the days of tribulation. These are the days of my coming.

I have looked forward to this for a long time. I have been waiting for this with joy, with glee. I’m excited. Yes, I’m excited. You may not believe that, but I am excited – extremely excited. All of Heaven is agitated in excitement, keyed-up for these days. There’s glory to be shared; glory to be seen. There are names to be made; there is glory to manifest.

These are the Days of Elijah – I reiterate that to affirm that with you – the rising of my Elijah church, my Elijah people to herald my return. These days they will rise strong and do great exploits. My Elijahs must come first before me. It is close, very close.

Keep your eye on me. Don’t look for dates, don’t look at numbers. Focus on me. It’s all about me. I am the key to End Times. Focus on me and I’ll keep you updated and totally informed as appropriate for you.

These are the Days of Elijah. Hmmm. Yes, I’ve been looking forward to this. I muse over it. I think of the glory; I think of the exploits. I think of my people reaching their destiny.

Did you not know that this is an important time? And that was an important question for you to ask, because I’m wanting to tell my prophets and my people what’s on my heart and what’s going on. I don’t want to keep them in the dark. I want them to rise up alongside me and walk with me as an army, advancing the Kingdom across the land, across the nations. Hmmm. This is just so easy. You all and me working together. I’ll do it all, just align yourself with me and things will fall into place. But we must move as one. Rise up with me in oneness my people, there’s no time for delay. We need to be in ‘rank & file’ so that there is unity. There is strength in unity. There is multiplication in unity.

These are the Days of Elijah. I’ve been training my Elijahs for many years, and they are growing and maturing. They are reaching their zenith so that they can proclaim for me the words that I release to them. Strong men and weak men, all have been trained, and are being trained. Many are waiting; many are to be discovered.

Do your part and do it well. There is no time to lose. Listen: listen with your spirit and listen clearly. Harken to my voice, harken. When I speak: act. When I call: come. When I deploy: go. It’s simple really. I will be in charge: I am the commander.

We are an army. Get that through your heads. It is not about a ‘cushy’ lifestyle. It’s not about sitting ‘pat’ and waiting for me to do something. We are going to do this together. Come what may, it will happen that way – I have chosen to work through my people. This is a great honour, do not falter in this. It is a great honour, there are rewards in this and there is a world to take.

Where are we in the Last Days? We are in the Last Days, the latter of the Last Days. And this is my word to you, “Reach out and reach up, your redemption is drawing nigh.”
