

Why not put all of our trust in God?

By Ron McGatlin

[OpenHeaven.com Digest October 23, 2014]

Why would we not put all of our trust in God? We know that we cannot put all of our trust in governments or in other people or things. We cannot even completely trust in ourselves. Our riches take wings and fly away, and our strength wanes over time.

Only God has all power, all understanding, and all righteousness. He is love. He is ever present with us and is eternal with no beginning or end. Only God is eternally and completely trustworthy.

Sad is the life of one who has never known our loving God. Even sadder is the one who has lost trust in God and returned to trusting in the things of this world and finds false security in other gods that do not love and are not trustworthy.

In Christ

Perhaps we all need a fresh view of being eternally seated in heaven with our Lord. Being spiritually in Christ connects us to the eternal trust of knowing God will never leave us or forsake us. Truly experiencing being in Christ provides perfect assurance that we can rest all of our trust in the all-powerful, all-loving Father of all life and creator of all things.

Christ in Us

At the same time that we are seated at the throne of God in Christ, we are also alive on earth for the purposes of God. We are on a mission to this present world in this present time.

IN CHRIST we are connected to all needed resources of God to accomplish our mission on earth. CHRIST IN US is restoring His kingdom on earth. Our job on earth is to be a carrier of Christ abiding in us to accomplish the plan and will of Father God on earth.

If we were not seated IN CHRIST at the throne, we would have no source of supernatural spiritual love, power, and wisdom. If it were not for CHRIST IN US, we would have no manifestation of God and His love, power, and wisdom in this life to further His kingdom in this world.

As unredeemed natural human beings, we had no life in Christ or Christ in us. As living redeemed spiritual beings, we have access to heaven and can abide in two places at one time: in heaven and on earth. A natural human being can be in only one place at one time. A spirit can be in more than one place at the time. When Jesus ascended to heaven He became a "life giving Spirit" (1 Cor 15:45) and now can abide at the throne of heaven and on the throne of our lives at the same time.

Plainly said, we must by faith abide in Christ and Christ in us by the Holy Spirit to bring the love, power, and wisdom of heaven to earth, not only to endure the hardships of life in this world, but also to bring God's victorious change and order to this world. There is no other place apart from God where we can safely put all of our trust.

Have faith in God. All things are possible if we have faith in God. We in Christ and Christ in us can change the world.

Darkness and Light

World War three threatens to arise to engulf the earth. The great divide of darkness and light that has grown more intense is at the root of the worldwide unrest and conflict.

We have come to a point of exhausting the plans and programs of man to attempt to bring peace in the world. We are beginning to realize that no amount of man-devised attempts at unity and peaceful coexistence can ever successfully mix light and darkness.

It is not possible for light and darkness to peacefully coexist in one place over time. Either the light will dispel the darkness, or the light will fail and the darkness will prevail. Man's attempts at democracy and peaceful coexistence of light with darkness will only work temporarily as long as the light is not extremely bright and the darkness is not extremely strong. When the light grows extremely bright the

darkness will be destroyed. If the darkness grows extremely strong, it will suppress the light.

In other words, it is only possible for light to coexist with darkness in a gray lukewarm type environment when neither the light of God or darkness is very strong. This evolves into a system where there is no distinction between right and wrong, nothing is viewed as darkness or light everything is just a shadowy eclipse. This shadowy mixture opens the door for severe darkness to eventually take over and destroy the nation from within and without.

Where the true light of God is strong, real prosperity of righteousness will manifest and prevail. Where there is little or no light of God, darkness prevails and will manifest poverty of unrighteousness.

As the light of God increases in an area and real prosperity of righteousness increases, the people in darkness and poverty are either drawn to the light or they are driven to attack the light and attempt to take the prosperity for themselves and destroy the godly people. However, the people of darkness are weaker and unable to defeat the prosperous people of light. Therefore, another plan to take over is activated. Spirits of darkness will subversively infiltrate the people wherever openings are found.

We need to remember that this is a spiritual war and not just a war of flesh and blood. To conquer the people of light, the light must be dimmed. The spirit controlling the darkness will devise a cunning plan to dim the light.

Spirits of darkness will subversively sneak in to undermine the godliness of the prosperous people and reestablish darkness in their hearts. Spirits of lust, greed, control, and others seek to grow under an umbrella of religion that replaces true godliness. This will begin a decrease in the light and an increase of darkness.

Light and darkness as a perspective.

What godly people see as light, others see as darkness. What godly people see as darkness is seen as light by those in which darkness dwells. The difference is whether the people are affected by the Spirit of Christ or the spirit of antichrist.

Spirit-filled Christians are seen as a sort of terrorist by those influenced by an antichrist spirit. It is a fact that spirits of darkness are terrified by believers in whom the Holy Spirit fully dwells. The Spirit of Christ and Father God dwelling in believers by the Holy Spirit have complete power and authority over every evil spirit including spirits of antichrist, religion, and every spirit that opposes the true light and love of God. What godly people see as light is seen and opposed as darkness by those infected with an antichrist spirit.

As Spirit-filled believers, we can expect to encounter fear, despising, and even hatred from everyone who is affected by an antichrist spirit. We threaten everything they stand for and value in this life. Just our very existence threatens to take away that which is precious to them. To the antichrist people we appear as mean, full of hate, intolerant, prejudiced, and very controlling. We represent bondage and loss of freedom to them.

Light Destroys Darkness

Every pure-hearted holy child of God filled with the Holy Ghost has the brightness of the light from heaven abiding within. Human beings are not the light. However, if we are redeemed by the blood of Christ Jesus and filled with His life by the Holy Ghost, we are carriers of the light of heaven to shine forth in this world disposing darkness and filling the world with the light of His glory.

God is light, and in Him there is no darkness at all.

For the most part the passing religious church systems became infiltrated with darkness and became a lukewarm mixture. Our light became mixture and could not dispose the darkness in the world.

The pure holy light of God is again flowing forth in “John the Baptist” or “Elijah” style men and women of God emerging from the wilderness. These are people of God who refuse to be molded into the “politically correct” or “religiously correct” life of darkness that is bringing forth the most damnable darkness rising up on a worldwide scale beyond anything we have seen before.

Even good church people do not realize that their own minds have gradually become accepting of

darkness enough that they do not see their children being trained in demonic darkness of the deepest and deadliest kind.

The mark of the beast is spreading rapidly upon a world blinded by their own darkness. While the dark spirits try to make Christians believe they must beware of a mark being put on them, the mark of the name of the beast is already implanted in millions of hearts and minds bringing madness and barbaric persecution to those who had seen light but chose lukewarm over the Holy Spirit's fire and perfect light.

THE JOY OF THE LORD IS OUR STRENGTH, AND EARNEST PRAYER CHANGES THINGS.

The enemy has a specific plan for the final phase of taking down America and other nations that once carried the light of God.

It can be averted or made much less destructive than the enemy and his people have planned.

The "John the Baptist" or "Elijah" type men and women must now arise and release the power and light from heaven to call forth intense PRAYER among the people of God!

We have only a matter of months to arise and turn the people of God to PRAY and call for America to turn to the light of God.

The enemy plans a major shut down regarding energy and the economy along with vicious uprisings, governmental clamp downs, and cataclysmic world events that will bring the western nations to an abrupt stand still. The enemies plan is that the turmoil be so great that there would be no free elections in 2016.

THESE EXTREMELY DIFFICULT THINGS CAN BE PREVENTED!

Hundreds of millions of people in the western nations and across the world praying and turning to God with their whole hearts will make a difference. Every person with a voice calling out to God for an unprecedented supernatural move of God to overtake the people of this world will turn back the devastating plans. Raise your voice to the people of God. Call them to turn to God and pray for the nations to immediately turn to God with their whole hearts. God can relent and change the hearts and minds of the people.

Every TV and internet media needs to be filled with the call of God to turn now. Every preacher, every teacher, everyone with a voice must pray and call for the people to fall upon their faces and cry out for God to empower His people with supernatural power, wisdom, and love to move the world and never stop until we walk in the pure holy kingdom of heaven on earth. We must not allow these plans of the enemy to come forth.

Baseball will not save us. Football will not save our nations. Governments and smart weapons will not save us. Our religion cannot deliver us. Only God is worthy of our complete trust. Trust in the Lord and in all your ways acknowledge Him. Pray! Pray! Pray and hear His voice. Shout from the house tops what God speaks to you in private.

Proverbs 3:5-12 – *Trust in the Lord with all your heart, and lean not on your own understanding; in all your ways acknowledge Him, and He shall direct your paths. Do not be wise in your own eyes; fear the Lord and depart from evil. It will be health to your flesh, and strength to your bones. Honor the Lord with your possessions, and with the firstfruits of all your increase; so your barns will be filled with plenty, and your vats will overflow with new wine.*

My son, do not despise the chastening of the Lord, nor detest His correction; for whom the Lord loves He corrects, just as a father the son in whom he delights.
