

# An Attack Against Front-line Leaders and Forerunners

With our King releasing new revelation and bringing leaders into alignment with him, especially in abandoning all forms of religion, the enemy has begun a campaign to bring down this type of leader. As you are rising up into your apostolic position and functionality to lead others, you are also a target for this campaign. If you can be sidelined or eliminated NOW, the enemy will have less trouble from you later on when you have more impact on the lives of others.

Here are some prophetic messages from July 2015 to enlighten you and encourage you at this time. You will need to read the full articles to get the complete content as copyright infringement prevents the copying of the full references.

The instructions from these messages are:

- **Increase your intimacy and intimate time with the Lord,**
- **Press into him, &**
- **Press through every situation.**

*"There is a great assault and attack against many front-line leaders and forerunners right now. The enemy is working hard to 'shut down' these ones and hinder them from moving forward and stepping into what the Lord is about to do in and through them.*

*I had a vision where I first heard the Lord say, "Front-line leaders and forerunners, batten down the hatches."*

*I then saw many front-line leaders and forerunners all together and bent down on their knees with their shields held up in front of them, sitting behind their shield of faith, and there was a barrage of arrows being thrown at them. Every time they have thought the "assault" had ended they stood up and the arrows would begin again....*

*The Lord then spoke, "A refreshing heavenly oasis (a fertile spot in a desert, where water is found.) is opening up before you. An invitation into deeper intimacy in the midst of this battle. Many of you have felt you are in the desert; the battle has been so intense that weariness has left you in a place of feeling dry and exhausted. Before you I am opening up a fertile spot, a place of life and heavenly waters of refreshing in Me."...*

*The "knowing" then came over me that many of these forefront leaders and forerunners have been under such assault because the Lord is releasing through them the revelations and kingdom keys to shift the body of Christ into "harvest revival increase time," but at an accelerated pace. Moving the people of God into a time of great revival within the body of Christ and releasing revival to the world.*

*What they were "fighting for" behind their shields was not only for their personal breakthrough but also fighting on behalf of the body of Christ to see one of the greatest shifts the church has ever seen before. Paving the way, breaking ground for the body of Christ to move into the greatest time of harvest, revival and increase they have ever experienced." <sup>1</sup>*

*“There is a battle raging on many fronts for many of the people of God at present. The enemy has come against many with "all guns blazing".*

*There is a foreboding spirit that has been coming against many frontline leaders and forerunners that has been screaming false words and prophecies over their life, the enemy is simply looking for your agreement. Stand in the agreement of what HE says over you. The enemy is sending a foreboding spirit to cause "dread" for the future, because the OPPOSITE is happening. You are moving into some of the most GLORIOUS MANIFESTED PLANS of God in your life thus far. (Jeremiah 29:11) SHARPER VISION for the future than ever before and prophetic sight going to a WHOLE NEW LEVEL. I saw the forerunners approaching a gate and they were pressing through and opening a gate for the people of God to advance into greater depths of intimacy, moves of His Spirit and realms of breakthrough. Frontline leaders and forerunners, do not give up. You are gaining ground even though you may not feel like it. You are moving DEEPER into breakthrough personally and corporately. You are forging the way for others to advance further into what the Lord is doing and going to do. You are fighting for more than just your life but for the people of God you are leading. There is a great rewarding coming upon frontline leaders and forerunners. Do not give up! Do not give up! You are opening heavenly gates of advancement for many. You are actually in a greater level of breakthrough than you have ever been. The Lord is going to reward and refresh you for your faithfulness to fight and forge new ground.*

*Many have been feeling like there are arrows coming at them from every direction, but in the midst of battle, let me encourage you, the Lord is opening "Rivers of refreshing." The battle may not suddenly end, but the Lord is leading you to the waterholes of His glorious revelation in His heart. His beautiful peace, His encompassing love, His never-ending strength. As He leads you to these waterholes, these rivers of refreshing not only shall you be refreshed, but as you take a step forward to continue in the battle, you shall move 5 steps. I wondered why the Lord used the number 5 and suddenly the knowing came to me that 5 represents GRACE.*

*Out of these waterholes of refreshing in Him that He is leading you to in the midst of the greatest battle of your life, you shall be carried on the wings of His grace for EVERY step you take. You shall take more ground than you ever could in the natural, you shall be carried in acceleration and there shall be swifter breakthrough than ever. The sun is breaking through the clouds!!!*

*DO NOT GIVE UP people of God. The enemy has been trying to get the people of God "exhausted" in the battle. Battle weary to take their breath away in exhaustion. But people of God, press in, find those waterholes of refreshing. The rivers of refreshing amidst the battle, and know that you are moving into the greatest "GROUND TAKING" and "HEAVENLY BREATH-TAKING" display of victory and breakthrough in your life you have stepped into, YET.*

*"Praise be to the LORD my Rock, who trains my hands for war, my fingers for battle." (Psalm 144:1)*

*He is training you amidst the battle to have peace, to fight from peace and intimacy. To find the rivers of refreshing amidst the battle.”<sup>2</sup>*

*“The Lord woke me up at 5:13 a.m. recently from a prophetic dream...*

*The Lord spoke this to me: "My ministers in this hour will walk in fear or faith. They will decide in the safe place which one they will choose. The safe place is the place of prayer." I started asking God for a greater revelation of this prophetic dream in my morning quiet time. This is what God showed me:*

*"My leaders are sinking into the things of the world...that seem so familiar to them. They need someone to lend a hand and pull them out. They couldn't help the flock (sheep) because of this. The enemy was there to kill some, steal some, and force others to play dead." ”<sup>3</sup>*
