

Seven Powerful Things About the Steward Leader

Here are seven powerful things Scott Rodin recently observed about ‘steward leaders’ while working with young Filipino leaders in Manilla.¹ They:

1. Understand that their lives are not their own.
2. Seek intimacy with God as their highest calling.
3. Are secure in their identities in Jesus Christ.
4. See those with whom they lead and serve as fellow pilgrims.
5. Regard all resources as gifts from God.
6. Recognize the spiritual battle they are in as they strive to lead as faithful stewards in a world of people playing the role of master.
7. Have learned that victory starts with surrender.
