

What I See Coming In 2nd Half Of 2015

By Clay Sikes

[OpenHeaven.com Digest June 18, 2015]

As we approach the second half of this Shemitah year, the 7th month of the 7th 7 (49) year cycle – the ultimate Jubilee, expect to see events never seen by current generations. Blood moons and solar eclipses on Jewish Holidays add to the prophetic suspense of 'what is about to be released'.

To the Kingdom minded, an extraordinary shift in your favor: To the worldly, these events will produce great fear. Prepared hearts will recognize the demise of the systems of men and will not lament, but joyously assist in all to be rebuilt by God's own hand. A double portion for those who've endured years in the wilderness, whose hearts are sure and steadfast toward their God.

We have indeed entered the time of His Kingdom on Earth (as it is in Heaven), as those things that are 'not like heaven' will indeed carry a major bull's eye on their back. Repentance from disobedience, dead works, and sin is the catalyst for victory.

We will soon pass the time of 'beating the tambourine', and enter into a true 'building phase'; a time when those who gather make the transition to 'those who build'. Something 'actionable' is about to be released that will pull the True Body together in purpose – our talk and walk will marry, as a unified Army arises. Something **SO BIG** is happening now! We are just at its very, very beginning, but it is now happening!

Watch for a true demonstration of God's power in the second half of 2015. We are living in the most exciting times the earth has seen in many years.
