

The Best Defense Is an Offense

Ron McGatlin

[OpenHeaven.com Digest June 18, 2015]

The best way to overcome a negative is with a positive.

Evil is ungodliness or the lack of godliness. To effectively battle evil, embrace godliness.

Godliness comes as we draw near to God. Evil ungodliness comes as we move away from God.

These are expressions of universal law of creation that is the same for all mankind. Universal laws cannot be changed or altered except by God who created them. Neither can universal laws of creation be negotiated.

We could talk or write about the undeniable facts of evil ungodliness now manifesting in the lives of our people and the corrupt societies of our nations. From the lowly common person to the highest office of the land, all are affected. We could talk or write about the huge plot over a century old now to dumb down and demoralize the people of our nations. We could speak of the devious planting of ungodly seeds planted in the people from the cradle to the grave to cause people to embrace disobedience to the ways of God and seek self-pleasure, self-aggrandizement, and self-worship.

We could write about the fact that all this is happening by design to cause the power of God to be lost from the people and the once godly nations become easy prey for tyrannical task masters. We could go on with how far along we as a people are in this process of self-destruction. HOWEVER, THAT WILL NEVER FIX THE SITUATION. THE ONLY HOPE OF EVEN MENTIONING IT IS THAT EXPOSING THE CONSEQUENCES OF EVIL UNGODLY LIVING WILL FUNCTION TO TURN THE DECEIVED PEOPLE BACK TOWARD GOD AND HIS RIGHTEOUSNESS, PEACE, AND JOY OF ABIDING IN AND WITH GOD.

ONLY DRAWING NEAR AND BECOMING ONE WITH GOD CAN FIX THE PROBLEM.

TAKE HEART! BE GREATLY ENCOURAGED!

There are multitudes of people who are seeking after God with their whole hearts.

There are mountains of resources and many great minds that are NOT bowed down to the anti-Christ demons striving to rule over the world by controlling the people.

God is not perplexed or wringing his hands in despair. The resources of heaven are inexhaustible. There is more than enough of everything needed for complete establishment of God's kingdom on earth. There is plenty of SUPERNATURAL LOVE, POWER, and WISDOM along with plenty of powerful angels to deliver the resources of heaven to accomplish the complete conversion or annihilation of any and all who oppose God and His plan for His people and His world.

Yes, there are giants in the land, but we are well able to defeat them because God is with us! Be strong and very courageous! Lift up your heads to the mountains from which our strength comes. The victory is already completed in Christ. Stand in the pure holiness of oneness with Almighty God our Father who loves us. Only believe, and all things are possible.

Multitudes are crouched and ready to leap up when they see you and I arise in the power of God with a shout and claim that which is given to us.

Reclaim the children. Teach them the truth, and let the light of God shine upon them.

Strengthen the hands that hang down, and lift the hearts of the weary. Arise for our light has come, and there is nothing lacking in the pure-hearted people of God. Abandon all that needs to be abandoned, and receive all that God has for you in this our great day of the Lord. Now is the time for which you have come to this world.

Can you begin to feel an EXPLOSION of God within that wants to burst onto the scene of this world?

The Tabernacle of God is with His people. The devil and all that work with Him are already defeated.

The glory of God is already manifesting in the presence of God wherever His people gather to seek first His kingdom. There is far more with us than is against us.

LET THE JOY OF THE LORD EXPLODE OUT OF YOUR BEING!

“The wicked witch is dead!” The devil has no power to stand before Christ in you.

FAITH IS AGAIN RISING AND IS RELEASED INTO THE WORLD THROUGH US. SING, CLAP YOUR HANDS, AND DANCE BEFORE THE LORD FOR THE LORD GOD ALMIGHTY IS WITH US AND WILL NOT SUFFER HIS PEOPLE TO BE SHAMED. PRAISE GOD! WORSHIP HIM! AND GIVE THANKS, FOR YOUR DELIVERANCE HAS COME.

Make a feast unto the Lord, and rejoice in Him for He is with us. We fasted in the lack of His presence. In His presence is life full of Joy. Decree to the world what God has said, and give out to His people what He has given within you. Speak with the authority of the voice of the Lord, and all the earth must respond. Partake of the honey of the word, and your eyes will be opened to see the glory of God with us. Hear the Spirit of God, and fulfill all of His instruction and supernatural power will flow from your lips as the words of Christ Jesus flow from your hearts.

Remove all the stops, and throw off all limitations; there is no power on earth that can hold you down. Wave after wave has come upon us in the past, but what is upon us now is greater in all that has come before combined. The mighty ocean of God will cover you over until you may think you will be drowned in His presence. Then He will lift you up through the mighty depths to heights beyond what you have ever even dreamed. You shall march with strength and not faint; you shall move with the speed and grace of a well-shot arrow from the bow of heaven. Arise with a shout, and rejoice in the Lord for the day of His vengeance has come, and that which has stood against His kingdom will be dissolved.

The enemies of God will be stubble under your feet. Their resistance and evil vileness will be burned to ashes to be blown before the winds of the Spirit. Move with speed to increase your faith and your trust in God Almighty. It would be better to be slain in His service than to draw back in the time of His excellence coming upon the earth.

Fear not the fires of destruction, for the same fire is the glory of kingdom enhancement into your life. Fear not though the mountains crumble, the seas roar, and the great forest fall into a heap of dust. The glory of God shall appear like a new born babe, and all that has gone before is as if it was not. The birth of the kingdom of God on earth is the great glory of God ushering in peace on earth and goodwill to man.

We decree this day the arising and awakening of the vast armies of God. Arise, you strong leaders, pick up your swords, you soldiers of God. Arise and pick up your shofars, you trumpeters, and marshal the troops. Sound the advance in my holy mountain. Let the fool return to his folly and the drunkard to his stupor, but you arise and be clothed in the love and power of the righteousness of God in you.

There is no prize in living long incarcerated in bondage. It is better to finish the course and leave nothing for the grave. Take not that which God has put within you to your grave. Use it now

while breath is in you. Every person of God has a part and is now to arise together as one to give ALL of what God has put within us. Now is our day of the Lord, and we will not faint back from doing all that is within us in this our day. The entire world will be changed by a mighty army of God-filled men and women who will faithfully give all they have while breath is in them.

Today is our "Day of the Lord".
