

'Safety Net' message for CCOP

19-5-2014

This message was received for the Canberra Company of Prophets during the night meeting of 19-5-2014 as we waited on the Lord for a message for us from him.

~~~~~

It's coming. It's coming. The mighty move of my Spirit. I'm so looking forward to this. Are you ready for it? Are you really ready for it? Are you ready for the turmoil that [it] will bring with it? Are you ready for the host of lives that will be touched? Are you ready for the work that will be involved? Are you ready?

Prepare yourselves. 'Polish the brass and shine the silver' and prepare your hearts. Get the house ready 'cause you have to be ready. In a place of leadership, you have to be ready. It's not all about what's coming, it's all about you too, because what's coming has to fit in with what's here. And if you don't prepare a 'seat' for it, a 'nest' for it, it can't happen. It's like a net that catches a ball. You're part of this 'net', this network that has to be ready and in place so I can release my spirit because there's going to be multitudes that will come into my Kingdom and your job is to minister and disciple and train.

Are you ready? If not, ready yourself. Start thinking about this and contemplating what your jobs and your tasks will be, because I've raised you up for this purpose as well. You're in my leadership team as I've already told you, and as leaders you've got to prepare yourselves so that when situations arise, you're ready for it. That's the responsibility that comes with leadership. I've given you plenty of warning, there's been plenty of leeway, but you're not ready.

So take this as a gentle warning, as a nudge to prepare yourself. Start thinking outside of yourself for a change 'cause it's not all about how you grow and develop – although that's important. It's not just about your relationship with me, it's about community and about relationship and about being this net – this safety net – that I need on the ground to catch all those who will come into the Kingdom, because I don't want them to fall. They've got to be caught and disciplined and loved and nurtured. And my prophetic people can do that because they're connected with heaven. They're getting the downloads, they're getting the information. They know my heart. And so you're the perfect ones to be that safety net.

See yourself. See that net. See the ball lob into the net and bounce back again – just like a trampoline. Well, that's what you've got to do – that's you. Start forming the networks. Start preparing because these are my treasures that I'm going to be releasing into your hands. Not just to train them up prophetically, but just to mentor them in the Kingdom.

Thank you for spending time with me now, and listening to what I've got to say, corporately. This is good. This is good.

So, I'll leave it with you. You're old enough, mature enough, to follow it through. I shouldn't have to mention it again. I'll just watch, and I'll give you the nudges that you'll need in the future. Just follow my Spirit and take this as another 'leaf' in the work you have to do. It's not onerous, but it's critical – it's essential. Pick up this task for me.

I appreciate what you're doing. I appreciate each one of you. I appreciate your heart-felt love for me and your heart attitudes. Don't be too hard on yourselves – my grace and my mercy flows to you. Forgive yourselves for your mistakes, 'cause I do.

Look up, your redemption's drawing nigh.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
