

# **Your Angel's Fidelity is for My Glory**

(J's Prophetic Revelation – 21<sup>st</sup> June 2017)

*“Look for and expect angelic activity in your life. Know that there are angels assigned to your life. Your angels always behold My face awaiting the command of My heart where you are concerned. Your faith requisitions My blessing. The angels are called and commissioned to implement My blessing in your behalf. They are ministers for your good and for your benefit. They orchestrate and control events, timing and circumstances around you. Often they are unseen but there are times that they are allowed to make themselves known. This is one of those seasons that you will see their working in your behalf.*

*The angels are working in your behalf but remember the words of the angel to Joshua. They are on My side and not man's. They are not biased and they don't understand excuses or complaints. The words of your mouth affect what angels will and won't do. Say not before the angel that you were in error lest they destroy the work of your hand. They are there for your blessing but their fidelity is to My glory and not any lesser purpose. They serve and minister and bless you because they see My glory in you. Do not allow anything or word or action to diminish My glory within you and you will shine with My splendour and attract the angel warriors to war and to minister and to bring the answers released from My throne to manifestation in your life.”*
