

J's Prophetic Revelation - May 2017

A trusted, Spirit-filled man¹ in our Kingdom Living Community received this revelatory download on 9-5-2017.

“This is a time of gathering. I am gathering you to Myself and drawing you into a closer experience and walk with Me. The challenges and turbulence in your life are the enemy's strategy to get you focused on the problems of life rather than living a life of attentive response to who I am and what I am doing to deliver you. Know that I hear your prayers. Realise that the enemy is only trying to distract you from seeking first the Kingdom. Make a decision to trust first and last in My mighty arm to save and deliver.

I am more than enough in your life. I AM that I AM in your life, Beloved. I AM that I AM, and that is more than enough for what you are facing on a day-to-day basis.

My strength in you gives you all that is necessary. As is your day, so shall be your strength. Rest in this. Know this as your most basic truth. I am here. I am on task. I am in you and working through you to bring about your highest heart's desire and your greatest dreams to fulfil.

I will now turn situations around that have been detrimental to you and you will walk out in freedom and liberty. My Kingdom is here on Earth and I want you to reign and rule with Me. That is your priority and focus. You will enjoy all the benefits of my Kingdom and I will bring everything to you. I have given you the wisdom that you need, but ask for more if you lack and what more. I AM the Father who loves to give good gifts to my children in My Kingdom. I want you to ask and hunger to see the mysteries and possess every treasures I have for you. My Kingdom is in you and I want you to go and establish the reality of my Kingdom in the hearts of my people. That is your mandate and for that important reason I have separated you completely from the world.

You are not alone, my son, I AM with you wherever you go. You're doing well and you will do even greater.

You will, from this day, know and see and sense more accurately the environment and the circumstances around you. I'm giving you 'x-ray' vision in discernment. When words of deception are spoken, you will cut right through it and say, "No. This is what's really going on", and they will admit it because it will be so obvious that I am with you and looking out for you.

I am now causing you to walk in the razor-sharp clarity of my Spirit. You will see things and know things you need to know, when you need to know them. You will not be late. You will not come up short. The angels of Heaven assigned to you are running ahead to clear the obstacles so that you make it to the goal line. You will accomplish that for which I sent you to do.”²
