

J's Prophetic Revelation 1-3-2016

A trusted, Spirit-filled man¹ in our Kingdom Community received these downloads as revelations on about 1/3/2016.

“1. I have created you as my image on earth. I'm in heaven, so you are on Earth. I want you to partner with Me and create things on this planet. I have made you and gave you the authority on this planet to create and bring things into being, like I gave authority to Adam to name all the animals. I call my children creators and innovators on this Earth. They have the dominion and rulership over everything on this planet. My government is greater than the government of this world. I want my children to be in the worldly government so I can use them to partner with Me and create and bring things into being. A Kingdom government! I will give you the treasures of heaven. I will show you the mysteries of my Kingdom.

2. Pray from heaven to Earth. Declare things and the angels who are assigned for your destiny will be released to go and accomplish the job for you. In your mouth is the power, as you speak angels will be despatched to the location and they will be assigned to minister to your needs. Too many angels are unemployed. There are many angels ready to break forth and release the deliverance you have been asking for. Take your authority and command to them and see the supernatural invade the natural.”
