

## **J's Prophetic Revelation 13-3-2016**

A trusted, Spirit-filled man<sup>1</sup> in our Kingdom Community received this download as a revelation on 13/3/2016.

*“I have need of you, and a design for you, in the work toward and the work within My Kingdom. You're going to be moving from assignment to assignment to assignment. It will seem like just when you put one thing 'to bed' there is going to be another thing right there demanding your attention for I am doing a quick work. Yes, you will feel the stress and experience the strain but just be patient and trust Me for the outcome. What seems like stress is not coming because of the enemy, but rather the velocity of My purpose being unfolded in your life.”*
