

J's Prophetic Revelation 7-1-2017

A trusted, Spirit-filled man¹ in our Kingdom Living Community received this download as a revelation on about 1/1/2017

This is a message for what Father is doing with people through us in this season.

“Father says....

I am raising up fathers in the earth who will father the fathers who are fathering the fatherless. I have declared war on the strategy of the enemy to leave sons and daughters of My kingdom without fathers, and mentors and guides. Know this that you are born of My hand. My incorruptible seed brought you forth from the domain of darkness and into the kingdom of light. You are not alone. You are not bereft of acceptance and placement in My kingdom. I will set the solitary in families and I will nurture you and strengthen you and cause you to be a strength to others who are without strength. I will not leave things as they are, I am making Myself known and I am sending you out into the land to bring transformation into the Earth.

So hold everything loosely beloved and be teachable and willing to change. Give Me some cooperation and I will give you the change that you cried out for. I am not interested in the fear based religious reform that only seeks to escape suffering. It is in My presence where perfect peace is found and it is in My presence that transformation takes place. As you see Me, you will become like Me for you shall see Me as I am. Those that have misunderstood shall look upon you and undeniably see that you have your Father's heart, and your Father's mind and your Father's eyes.
