

J's Prophetic Revelation 8-3-2016

A trusted, Spirit-filled man¹ in our Kingdom Community received this download as a revelation on 8/32016.

“Father says....

You have asked for power, but I've already given you power. Exercise My dunamis, My exousia power as the enablement to be still. Be still and hear, be still and know. Be still and anchor yourself in the silence between your own thoughts for that is where My voice is insinuating itself into the stream of your own consciousness,

My Kingdom in you is not passive but active. Get past the wondering and doubtfulness about whether I truly set a priority on prospering and being in health – focus on the assault of the enemy that is failing and crumbling even now as you step into My NOW for your life. You know that your inventory of personal strength isn't up to the task but I am opening your eyes to see that more are they that be for you than they that be against you. Stop seeing the enemy and start seeing the angels. The angels of My power are vectoring into your life to bring about the sure establishment of my will for you. So calm down, calm down and synchronize your emotions and your mental state to what I am showing you and not the lying vanity of the situation and circumstance that would laughably suggest you aren't going to make it through.”
