

MESSAGE: 2016 Federal Election 6-6-2016

(Transcribed from a smart phone recording at the CCOP meeting on 6th June 2016)

Question

Lord, what is it that you want us to know about the upcoming Federal election?

Message

“This election is a significant one. It's not a fly-by-night type of election, one that comes and goes without significance. There are things at stake in this election. The balance of this nation will be determined by this election. Remember, I am evaluating nations and peoples and individuals, and this election is actually a 'test case' for this nation to see how this nation responds to righteousness. The way they vote will determine the outcome for the nation, not only from government, but from my government as well.

The church has not been doing its job in schooling and educating the nation in the ways of righteousness. And of course, the nation will pay the penalty for that because there's reaping and sowing, and a nation that turns its back on me and walks away into 'darkness' will reap what 'darkness' has.

And so I say to the nation, “Be careful how you vote”. Don't vote for the major parties for the sake of voting as you always have. Choose wisely. I have given you independence as an individual, as a human. I have given you the free will. Use it wisely. Don't squander it as you have in the past, and said, “Oh, we'll just leave it up to the politicians to do it all. I'll just cast my vote 'cause I've got to”.

Think wisely before you vote. Seek my face. Ask me, because, as I said, the fate of your nation depends in the natural and in the spirit on how this election 'pans out'.

The faces you see in parliament are not their real faces. The people behind them, the spirit behind them, is different and you are not discerning them correctly. You are operating in ignorance, as a baby does, totally submitting to the government, to the politicians, instead of exercising your right in a democratic society where I have placed you.

The nation is in turmoil. It hasn't risen to the surface as yet, it's bubbling underneath, and because eyes are closed and ears are closed, it's not being observed. But as a result of this election, that turmoil will bubble to the surface and break out, and you will see the results of it.

So, choose wisely. Choose accurately. Choose with my wisdom. It's all up to you.”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
