

MESSAGE: Australia

(2-5-2014)

This prophetic download was received while I was on my morning walk. It was recorded on my smart phone and played for the Canberra Company of Prophets for their assessment on 5-5-2014.

This is an exact transcription of of the recorded prophetic message. A phone call in the middle of the recording has been excluded.

~~~~~

Friday the 2<sup>nd</sup> May. A message relating to the nation. Laurence Smart.

There is a time coming that will scare most people. There is a time coming when fright will be common. There is a time coming that I have to prepare you for. It's a time that you don't want to be in, but it's a time I have you there for my purposes. This nation will undergo the screws of my judgement. This nation has to grow and mature. It is only through difficulty that my nation Australia can enter its destiny. And so I bring this judgement, this sword against your nation. I do it with a light heart, I don't do it out of anger or hate. I do it in love, because I know that it will yield the peaceable fruits of righteousness that I require of this nation so it can rise up.

There is much this nation has to learn. They are young, they are diverse. They need to come together and focus on what they have to be to enter their destiny as a nation. There is much I need to teach them. My servants need to step out and speak. They need to rely on me – not fear man – and bring the messages that need to be brought to our nation. There are messages of love; there are messages of correction; there are messages of affirmation; there are messages of release.

My Spirit is coming. There will be a great outpouring. This has been anticipated and I am enjoying bringing it to you.

This nation is a great nation from humble beginnings – nobodies. Nobodies came to this nation and they built this nation. I brought the people and I brought the skills. I brought the heart attitudes; I brought the work ethic. This nation is a conglomerate of everything that I've poured into it since its foundation. I'm thoroughly pleased that the English colonised this land. They brought the gospel; they brought my standards and they set up my flag here, invisible as it was, they set up my flag on this nation and claimed it for me. I am thankful for that. I am so pleased for that because there were those who didn't want to do it. There were those who wanted to claim the nation for themselves; for mother England. But there were those who said, "No. This nation has a great destiny, a greater purpose and it belongs to the Lord Jesus". And it was their stake in this nation, planting the invisible spiritual flag, that has allowed me to do what I'm doing today and what I will do in the future.

Do not despise small beginnings, because in the spiritual realm small beginnings may have a huge impact. Don't look for results from the small things you are doing now as you prophecy and as you speak my word to the nation. Don't look for immediate results, just be obedient and do what I ask you to do, because the results will come. The results will vary from small to humongous (to use your terms). My Kingdom will be advanced as you speak. Seek Me. Seek what I have for the nation, for the city – this capital city of Australia. Don't just look at ministering to the saints. Step out: in the marketplace; in politics; in business. Wherever I open the door for you speak. Speak into the young people so they rise up and take their place for me. Because there are wolves prowling around – there are lions in charge of this nation that need to be dispossessed by my children.

This is a great day. We are moving forward as a nation. We are moving together. It is my plans that will succeed, but for that to succeed it needs your co-operation – your compliance with the things that I ask you to do. Don't shirk your responsibilities. Don't shirk giving messages because of the people that I send you to or bring to you. Speak; relax; rest in me. Close your eyes if you have to. Focus on me and let me speak to these people. I will give you accurate words. Don't be fearful of the words that I put into your spirit to bring forth from your mouth, because it's not your responsibility. Your only responsibility is to obey.

*~ phone call interruption ~*

Yes, big things are planned for this nation – big things beyond belief. I am manipulating circumstances. I am moulding and shaping things as they happen so this nation can be – not side-tracked, but deviated from the path people want to go on and deviated down my path and my path leads to the destiny of Australia. Be prepared for deviations. Be prepared for things 'out of the blue' to come and see the course of the nation change. Europe will 'go down the gurgler'. America will decline. Australia has to rise. This is my plan; this is my promise.

So, prepare the nation. Prepare the capital city to rise up in leadership, because I have destined this nation from humble beginnings to rise up in leadership. A nation that doesn't have pride; a nation that doesn't boast. So I have honoured you as a nation and will release you into greater things.

Be bold my prophetic people. Speak the word. Rise up. Continue to train as prophets. Rise up apostolically, those I have given the mantle of the apostolic. Rise up as spiritual mothers and fathers to this nation. Expand; grow. Be strong. And above all be bold in what you say because you are focussing on me and listening intently to what I have to say. I'm not concerned that you may deviate slightly from what I tell you. I forgive you in these cases. But be careful that you are not side-tracked by your flesh, or by seducing spirits, or by familiar spirits. Speak plainly what I give you, even if I use language that seems strange to you. I may use colloquial language. I may use official language. I won't use King James, 'cause I'll speak to people so they understand clearly what I'm saying to them through you.

Be a blessing to me by being a blessing to this nation, to this city. Rise up. Establish your self. Do not fear what other prophetic people may say; what Wings Like Eagles may accuse of, or revile you for, or avoid you for. I've called you for this purpose - they have theirs, you have yours. Be stable. Focus on what I give you to do.

Allow Laurence to have some leadership. Follow the Spirit. There is no 'boss' – I am in charge – remember that.

You are a family, a small family. Become coherent – stick together. Draw others in that I show you. And allow me to train you into things of the Spirit in these Last days that others have wanted to see and others have wanted to move in but it was not time and they were not ready as religion had closed the door on their minds to do the things that I wanted to do. Yes, the early church missed some of the things that I am teaching you now because they were young and had much to learn to be established, so that my Ekklesia (my called-out ones) could spread around the world. But it's time now in these Last Days before I return, to take your place. This is the season of the manifestation of the Sons of God. You're part of that.

Rise up. Don't fear. Be discerning. Don't judge by discriminating against people, but discern by

discriminating what is in the spirit realm and what's in the heart of people. Be careful, many of my prophets have fallen in the past because they've drawn people to themselves, not to me, not into the task. Many have fallen through pride and many have deviated because of the fear of man and fear of offending people. Remember, your job is to fear me and fear offending me. For that's a loving thing I say, 'cause I love you. That fear is a fear out of respect that you want to please me, above all – more than people; more than yourselves.

And so as you come together tonight listen to what is presented, listen to me speak to you. Get together and seek me for this city and for this nation, and grow. I prosper you. My hand is on you. Burgeon in your influence; burgeon in your strength; burgeon in your walk as sons. Don't let the world, the system, Babylon, religion, the established church, squeeze you into its mould or 'dumb you down'. You are my heroes. I have many of them, not just you, but you are doing heroic work and it thrills me that you come together to do this. You've committed yourself to do this. I am for you; I am for you.

Bless you my children. Bless you my sons. Bless you my strong-ones. Advance – advance the Kingdom and advance yourselves into what I have for you. Lead the nation. There are many others who are leading, but be part of that leadership team.

I give glory to my Father and I bless you.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
