

MESSAGE: Australia 6-6-2016

(Transcribed from a smart phone recording at the CCOP meeting on 6th June 2016)

Question

This message came as an addition from asking the Lord about the 2016 Federal election.

Message

“Haven't you been shown the ways of righteousness, young nation? Hasn't your foundation been in righteousness and godliness? And yet, you have strayed. You have gone after other 'gods', the gods of your heart, those things that you desire and lust after, and you have turned your back on me and my ways. This is to your detriment. As I spoke to the children of Israel when they turned away from me and played the harlot, I am saying to you Australia, you err in your thinking. You desire to do what is right, but it's what's right in your own mind, and you've been manipulated by 'The Elite', by others outside of your sphere of influence. They are influencing you, and you don't know it. You're like puppets, but you are ignorant of it. They have their 'hand' inside you, manipulating you like hand puppets, causing you to do their bidding, and in your blindness you follow. Your ears are deaf to my righteousness, to the things I have for you.

There is only one solution. There is only one end. So, the choice, Australia, is up to you. Choose the solution and you'll choose the correct end. The end is your destiny and prosperity. The wrong choice is destruction. It's happened to all the nations and the empires of the Earth in the past. Many, many, many have come and gone. Take note of Greece, the Grecian empire. Take note of the Roman empire. Take note of the Persian empire. Note those nations today. Does that not say something to you? In their haughtiness and pride they were going to take over the world, and they had great plans to do great things. But now look at those nations. No remnants of their glory is present.

Australia, wake up! Your destiny is greatness, but that greatness is only in alignment with my will. I allowed those other empires to rise, and they fell, and the same can happen to you. I have raised you as a pup, to a maturing adolescent, and I like what I see as a nation but there's so much more that's ahead of you. So much more growth and development: so much more maturity. There's so much that I have planned for you in leadership as a prince nation, but princes are trained. They might be born, but they need to be trained and schooled for years and years and years to be able to function as a king. And you Australia, as a nation, need more schooling and more training. But that training and that correction and discipline that must take place is for you to rise up in righteousness as a leader, not in unrighteousness, because that will not have my favour and my blessing.

So your destiny stands before you, like a billboard saying, “Australia, the great nation”. But that's only a pipe dream unless you rise up in righteousness and turn to me and follow my ways and heed me and do the things that you do for the goodness of others and not for your personal satisfaction. The choice is yours. Do it wisely.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
