

MESSAGE: Australia's End-Time Warriors

(Received by Laurence Smart, Canberra, 4th July 2014

(Proclaimed aurally and recorded at the time)

“I see things changing in your nation – changing for the better. I’ve been watching and observing, and I see flames of improvement. I see pockets of change. These are encouraging me to release my Spirit on this nation.

This nation I set apart for great works, for greatness.

Keep in line with me. Keep imparting into this nation. This nation has to rise up and fulfil its destiny, the destiny I’ve set aside and given to it; decreed to it; handed to it as a scroll. It started simply with indigenous people and I brought the Europeans. I brought the English. I brought the workers. And I’ve instilled in this nation an ethic – a work ethic – productivity that could only come from my hand.

I’ve put you in an isolated position away from the affairs of the rest of the world, so that in that place of isolation you can grow and develop as I mould you and shape you.

This is a great plan that I have for your nation and you must connect with it. You must ‘see’ this plan and work with me, not against me, ‘cause my plans will succeed. I will bring this nation into leadership. I will bring this nation into headship. I will bring this nation into the place of being a sheep nation that has my honour attached to it.

I’ve done great things already to raise you up from a penal colony, from an indigenous nation of nobodies¹ to a place of importance in the world. People take note of you. People hear the name of Australia and it no longer is a byword; it is no longer insignificant; it is no longer some place ‘down under’. When people hear “Australia” now around the world, their ears ‘prick up’ and they pay attention.

So I’m wanting Australia to do more in the international scene. I’m wanting Australia to speak forth what I deposit in them. I’m looking to Australia to display my glory, display what I deposit in them to the nations of the world, so that they will see. And nations will come to Australia. Nations will see what I have done. They may not recognise my hand, but they will come.

Your job, my end-time warriors, is to see Australia grow and develop into a Kingdom nation. A nation that display my kingdom and my glory so that the nations and the people who look, will ask, will want. They’ll say, “I want what they’ve got”. And we’ll be able to say together, “They have the Kingdom.”

This is my plan. This is my purpose. Other great things I have, and I keep them to myself, locked away at the moment.

But you must move out into the ‘mountains’ of your society and take my glory there – take my Kingdom. Because it’s in this place of being in the nation where you are focussed on my nation, where you are focussing on bringing my Kingdom to the nation that I’m able to work. I can’t work to my full extent while you’re hiding away, reserving yourself to some end-time event. I work through you when you are out in society; when you’re out in the nation; when you are touching people’s lives; when you are impacting, interceding, imparting into businesses and industry and commerce and education and families and organisations. That’s when I change a nation, in the same way that William Wilberforce changed the nation. A couple of people – a hand-full – changed a whole nation and impacted the whole world, impacted the whole world.

1 – (a) This term is used in the human, vernacular. It’s not God’s term or representative of his heart. [LDS]

(b) From the first meeting with Australia’s Aboriginals by Europeans, they were seen as Stone Age throw-backs. Scientists in Europe in the early days labelled them as sub-human, on a different evolutionary branch to Caucasians. To the modern world of those times, these were seen as true ‘nobodies’, more correctly ‘nothings’, that were hunted and killed because they were irrelevant. [LDS]

Australia has that as part of its destiny, to impact the whole world. You look at Israel – an insignificant nation – they have impacted the whole world. Australia, in this clime², is going to do the same thing, but it needs my end-time warriors to get out my end-time workers, to roll up their sleeves and do what I ask them to do.

I open doors for you. I want you to go through those doors boldly, but do it in humility, and in my authority and in my power – the power of my Holy Spirit, under my anointing. Follow my instructions. Holy Spirit will tell you what to do; what to say; where to go; who to be; what jobs to apply for; what businesses to speak to; what conglomerates to make; what networks to form. I'll do all that – your job is just to listen and to move forward.

This is my master plan for Australia – strange to most people, but wondrous to me. Wonderful to me and wondrous to those who will look on it as you rise up as a nation. Yes, that wondrous observation will occur. “Who are these people?” “What’s happening to them?” “Why is this rise into international statehood happening?” “Why is the importance of this nation coming to the attention of the whole world?” Yes, and I will defend you because there will be those who will hate what’s happening here. There’ll be those who want what is here, but I will defend you. But that defence will depend on your move towards me.

Move! Move into my Kingdom. Move your nation into my Kingdom and your defence will not even require you to lift a finger because I will already have anticipated and I will already preclude³ victory. And victory will happen, and you’ll stand back amazed and give me all the thanks and the praise because it won’t be you.

So my end-time warriors, my darlings, my beloveds, my Bride – shine, work. Don’t just worship me in song and dance, roll up your sleeves and worship me with every part of your being, with every moment of your day. Get out there! The nation is yours for the taking. It’s not for Islam⁴; it’s for you; it’s for me; it’s for the Kingdom; it’s for Father’s will to be done; it’s for Father’s purposes. The grand plan, the grand design of all time is culminating and Australia has a head position in that.

I love you Australia. I love you my people. You are my people. Despite your waywardness, you are still my people. My hand is on you. Don’t despair. Don’t look at the lack-lustre performance that you see around you. Get out there and take the Kingdom. Show them superiority; show them excellence; show them that my finger touching the nation produces miracles and produces greatness. It’s all up to you. I’m working through you – I’m not doing this angelically⁵. I have instructed you. I have prepare you. I have trained you – the job is yours. Get out and do it and I am with you. My angels will back you up. They will not go ahead of you and do your work. Remember that. It’s you I am working through ‘cause I get the glory, the nation is glorified in the other nations of the world when you work.

I bless you and your work to prosper. Go forth in my name.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
