

MESSAGE: Canberra 1-8-2016

Question: Lord, what is your message for Canberra today?

Message

Have you not seen and have you not heard the wonderful things I am doing in this city, at the 'grass-roots'? It's all there! I've been working and working, and things are moving, but it's not particularly obvious. It takes a person to get down to the 'grass-roots' to actually see what I am doing. I'm not working with the upper echelons within the church. I'm not working with those who purport to demonstrate me and my power, and my Kingdom. I'm working at the 'grass-roots'.

I'm starting again, from the ground upwards, because I need to generate a people who will follow me for no gain for themselves. For no agenda. For no purpose other than to love me and to be my sons, and to be about Kingdom business. I have to do this from the ground up because there is so much resistance from the top down. I have spent years working with the church in Canberra to see them move, to get off their seats and move into action, because my Kingdom is a kingdom of action, not of complacency. So I'm starting again.

This is not about 'us and them'. It's not about a division, but it's a parallel system that I am generating right now from the 'grass-roots' up. No one will stop my 'grass-roots' generation. They will wear a 'badge' that all will see that is different to others. When you come across them, when you speak to them, and when you come into their presence you will know that these are different.

My intention is to merge: merge the 'grass-roots' with the church that's already in existence. But there will be many who will not want to join with my 'grass-roots' revolution because it will be 'dirty' and 'messy' and plain and ordinary and uncomely. And some will even see it detestable and will turn their backs. But my heart is for the hearts of this city, and I will go for them whichever way I can receive them and whichever way they will receive me.

My message to Canberra is, "to look". Look down at the grass, so to speak. It's all happening at the grass-roots level. Open your eyes, Canberra, it's all there. Just watch it grow, just like a crop when the warmth and the sunshine and the rain's been and it takes off in a Spring flush. That's what you're going to see. Put your energy there. Put your focus there. Put your finance there. Put your time and energy into this. This is where I'm moving. Work with me, Canberra. That's an invitation.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
