Question: Lord, what is your message for Canberra today?

Message

Tell Canberra that I love her. Tell Canberra that I have my blessings for her. I love her. I want the best for her. Speak life into your city. Speak God's blessings and love into your city. I have great plans for Canberra. Decree my word into your city, because I love to see her prosper. I love to see Canberra come to know me. I love the people here. Many nations have come here to make their home. I love you. I have great plans for you. Speak my love into Canberra.
