

MESSAGE: Canberra

(Council of the Lord on 13-3-2017)

Question: Lord, today, what is it that you want Canberra to know? What is your message to this city?

Message

Canberra, my light on the hill. Have you grasped that? I called you that in the past and I was expecting you to run with it, not theologise it or philosophise it or tuck it away for some future time. I was expecting you to seek me and what I meant by it and how it will impact you.

This is not a correction, this is a message to refocus you. There are those in this city, in the elite, who wish to see this city a light on the hill for the things that are not of me. But I call you, my people in this city, to rise up so that this city will be a light for the Kingdom. A light to the nation and to the nations of the world. You don't think it can be done? Then you obviously don't trust me. Your faith is not big enough for the big things that I can do and I'm planning to do.

I am the Creator of the universe, of all things, and yet you doubt that I can make this city, this capital city of Australia, a light in the world. You doubt, you lack faith. But I tell you, I can do it. All that it requires is you to align with me and it shall be done.

When my Son was here on Earth in the form of the man, Jesus, he only did the things that I wanted him to do, and he only said what I wanted him to say. He spent his life making sure that my will was done. Learn from Him. He is your prototype – you know that.

When you desire only what I desire, we align ourselves and things change. Like $1+1=2$, it's as simple as that. All that you have to do is align with me and be about my will as I show it to you. Then this city will change and it will become a light on a hill, that sheds its light, casts its light, to all those around.

Change your heart, change your attitude, and see this as a vision. Get away from your parochial ideas about this group and that group, and my group and your group, and see this city as my territory and you're here as my sons, being about my business. It shall be done, but it will require your alignment with me.

Change your attitude and change your heart. Repent¹ and turn to the way I want things done, and it shall be.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. New members are being identified and trained all the time. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.

¹ – MEANING: Turn not from sin. Turn right around, face God and do things his way, not your way.
