

# MESSAGE: What's Ahead For Canberra

(Council of the Lord on 3-10-2016)

**Question:** Lord, is there something ahead that may happen to or concern Canberra that we need to be aware of?

## **Message**

I see that there is a spirit of betrayal [that] has taken over our Parliament, and there will be more betrayals in the future which will cause people's hearts to slump, to slump greatly. There will be more betrayals.

Canberra is a light on a hill, as it were. I raised up this city to be a light, to impact by shedding light to all the States around about in this nation, but that light has gone out, it has been hijacked by the plans and purposes of man. So darkness rules this city, and by darkness I mean the absence of my light. Because of this and because I have given humanity free will, the city must reap what they have sown. While-ever they are following their own paths, then there are natural consequences to this for this city. In the same way that Ninevah repented and a disaster was stayed, this city needs to turn to me, and by that I mean the hearts of the people.

Be prepared for the realm of darkness to continue to have influence in this city as a consequence of the light going out. But, my children, I desire that you listen to me and follow my plans because this is not my purpose for this city. I desire that that light would be lit and [that] the light of a prosperous city and a light of a Kingdom city be spread throughout the whole of this nation. But this requires my Kingdom to be implemented and that requires my children, my people, to align with me.

So you have asked the question and there is your answer – nothing specific, but darkness will continue while-ever the Church is silent – while-ever the Church does not stand up for righteousness and while-ever they have their own agendas. Align with me, come into my purposes, and this city will glow with my glow.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
