

# MESSAGE: Canberra Prophetic Voices

*(Council of the Lord on 7-11-2016)*

**Question:** Father, what is your desire for the prophetic voices here in Canberra?

## **Message**

There is a flower that I am wanting to cultivate. A flower of great beauty, and this flower are the prophetic voices in Canberra. Beautiful flowers attract onlookers. They are attractive in colour and in scent and in shape. I crafted all the beautiful flowers that there are on this planet, and I am wanting to craft a prophetic community here in Canberra that will attract others, that will have the aroma and the beauty that my Kingdom has. That it will portray it to the lost and to my children, and it will draw them to hear my voice. That is what I want.

In the same way that you look at beautiful flowers and you appreciate me and the work that I have done, I want to build a prophetic community in Canberra that will display my glory because it will be a group that will speak for me, speak my love, speak my joy, speak my counsel, speak my strategies, not only to the believers but to those who do not know me. This is my desire, a beautiful, beautiful prophetic voice, sort of like sirens that attracted the sailors in mythology, that they were drawn to the sound of the sirens. I want the prophetic voices here in Canberra to be attractive to the spirits of people. They will be drawn because they will be able to hear from me and connect with me through them.

True, my sons hear from me directly and commune with me on a constant basis, but there are those who don't hear. Their ears are stopped, their hearts are cold, their minds are deadened to the realm of the Spirit and to my desire to speak to them. In these great days, I want to speak to all and sundry, and this is why I have a plan for the prophetic people. I desire they honour each other and come together and work together and strengthen each other, support each other, and cease their back-biting and criticism of one another. My Kingdom does not work under such an environment.

But those who hear from me and are called to be part of this beautiful structure, I will train and they will be so. Hear me and hear me well: if I call you, respond and say, "Yes", and I will join you with others, and this flower will bloom in this lovely city.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
