

# MESSAGE: Jesus Face-to-Face

*(Council of the Lord on 7-11-2016)*

**Question:** Lord, you have been telling us that in this season we will talk to you face-to-face. What is it that you would like us to know about this?

## Message

I have always desired to meet with my sons face-to-face. I did it with Adam and I did it with Moses. I get great enjoyment out of that. I created my sons to be in this arrangement with me, talking face-to-face, walking together, working together, carrying out my plans on this planet.

In these Last Days, it is critical that we get to the point of being able to be face-to-face with each other. This will be essential to strengthen the Bride for the work that she has to do, to stand against and to outshine the darkness that will come upon this planet.

I am not looking to speak to you face-to-face so that you shine with glory as Moses did. That is a side effect. My desire to meet face-to-face is so that we can relate to each other and you know that you are on the same team as me and that you are doing it with me. In the same way as when you work with somebody and you speak to them, you know within yourself that you are part of a team, you are a team player, and this is why I desire to speak to you face-to-face. I don't force it though. I will draw you into that as time permits and as circumstances allow it. There is much that must occur before I return, and I am working on this particular facet of the arrangements, little bit by little bit.

So my statement to you is, "Desire to speak to me face-to-face". With your heart, ask me and just relax and let me do it. There's no need to strive for it, but it's a joy that I will have in drawing you in closer to me. Sons are able to come into Father's presence. Sons are able to work with their big brother, and this is how you must see yourself in the Kingdom. Your rightful place is working with us, to see the last great plans put into place before I return.

Don't fear what others may say about wanting to speak to me face-to-face, and their religious ideas or their fears that will prevent them. I am looking for those who will step out in faith and who will desire this **strongly**. It's all about relationship, it's all about being intimate, because the best intimacy with somebody is face-to-face. So enjoy the fact that this is coming and relax in it, and know that it is part of my plans for my Bride. It is a privilege that they will have. These are the ones that call me Beloved, these are the ones who will put me ahead of absolutely everything else and love me.

I am looking for more of my Bride, but many are lost sheep, who have gone after their own ways. If you desire to speak with me face-to-face, then join the Bride, the remnant that I am putting together for these last great events that will come upon this planet.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
