

MESSAGE: Nations Are Being Evaluated 2-5-2016

(Transcribed from a smart phone recording from the CCOP meeting on 2nd May 2016)

Question

While we were seeking the Lord for information concerning the drought in Mindanao (Philippines) we received this message about the nations.

Message

You asked me about the drought. Let me tell you the way things are. As you know I am weighing things in the balance, I am checking things. I'm testing things, I am evaluating. I have put each nation on notice that these are the days that I am determining their futures. As they respond to the way I deal with them, as they respond to their circumstances I am assessing them, as nations and as peoples. This is the time for all nations to listen to my voice. It is time to pay attention. It is time to shake off the shackles of the world that keep them bound and away from hearing from me and serving me.

This is a dread time in some sense because futures are at stake, but it's also a time of joy and liberation for those who are moving forward, and along and upward in the things that align with me. Each nation has been given a chance, given choices, and I'm watching and I'm waiting.

In the case of the Philippines I have sent tornadoes and hurricanes. I have 'rattled their cages', and I watch. Do they turn to me or do they turn to their government. Do they cry out in grief, or do they call and cry to me. I am here and I am waiting. I am all-powerful and I can 'flex my muscles' and bring things into being. I can turn away disasters, I can bring prosperity,. But I call the nations this day to turn to me if they wish to prosper, to have habitable lands that produce the fruit, the produce that they desire. That in these days of end-times they must return and turn to me. I am the source.

I have overlooked, in the past, waywardness, but this is the time of decision-making and I am no longer overlooking things. From this day forward, responses to situations and circumstances will determine futures. Mark this day, this year: 2016 is a significant year. All nations are being evaluated, all nations are being weighed and judged. I say judged in the sense of assessment. I will then pass my sentence, my judgement of futures once all weighing has been completed. This is my right and this is my function, and I will do so unhindered by the pleas of the people once the decisions are made. My high court makes decisions on a yearly basis but this is a special assessment for my purposes, for the lead-up to my return.

Hear me and hear me well. Respond appropriately to your natural, economic and military circumstances that each nation faces. Turn to me with all your heart, and I don't mean half-hearted. I mean with all your heart, nations, and you will see my hand rest on you and great things will come forth.

Nations, be prepared for more shaking. Be prepared for the stability that you desire to be shaken, the peace that you desire to be removed. The quakes will come - both in the ground and in the atmosphere. The prophets have spoken of this for many years. It's time for people

to listen and to align themselves. This process will not go on for very long, but the destiny of nations will be determined by my evaluation and the reports that come to me in my council.

This is a heavy thing that I have to say, but it is that time in the history of humanity where it must be spoken and it must take place. I am a God of justice as well as a God of love and I must carry out the justice that is required of me by my Father. All things must be set in place and in order for my return, and this is just one of the steps. Hear me again and hear me well. I am weighing, evaluating and assessing. ”

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
