

MESSAGE: Our Attitude to LGBT and Islam 5-9-2016

Question: Lord, how do you want us to approach the encroachment of Islam and LGBT into the Australian society? How do you wish us to think about it and speak about it?

Message

This is a time of great decision-making, a time when you need to reflect. A time when you need to come close to me, to feel my heart, to hear my attitudes, and Australia is not doing this. They have got their own mind on these things, they have got their own attitude, their own heart set in certain ways, but they haven't come to me and asked me, "What should our attitude be?" It's good to hear somebody asking me this question because it has concerned me greatly. My people are not coming to me, they are not consulting with me, they are making decisions on their own and they are not in line with my will in many cases.

Hear me and hear me well. Your attitude is to be an attitude of love, as I love these people. I don't scorn them, I have compassion for them, and you must have this compassion too. You must flow with me as you speak with these people, as you meet with them. You must allow me to speak through you, as I told my disciples when I was here on Earth, I would teach them because I am truth. Listen to me. Listen to my Spirit speaking to you in the circumstances when you are speaking to or about these two groups that you have mentioned. It's not to be negative, it's not to be put-down, but it's to be spoken in wisdom and in righteousness. There are times when you will have to stand and speak for the truth, and there are times when you will have to speak into the lives of these people and touch them, because I will touch them through you.

The circumstances that have arisen is what I call a 'shakedown'. I am shaking this nation to see what falls, like shaking a pair of trousers to see if money falls out. I'm actually assessing the hearts of the people because of these two organisations, so prepare yourself for being shaken. Each one of you, your own personal attitudes: I will shake them and I will find out just where your heart is. So align yourself with me, and change your heart, change your attitude. Allow me to change you. Allow me to mould you and shape you so I can speak through you. Be my vessels, my trumpets, my spokespeople, because these organisations, those who subscribe to their beliefs need to be impacted with my Kingdom, they need to know about me. They're only going to hear it from you.

There are angelic ways of connecting with them, but I prefer to use my people. So steel yourself. Firm within your heart the desire to align yourself with me so that my Kingdom can be presented and my Kingdom expanded in this nation. It's as simple as that.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
