

MESSAGE: Realignment of the Church in Australia

(The King's Counsel on 5-12-2016)

Over the past month a number of us in CCOP have been given insight into the present shaking, filtering and realignment of the saints in Australia. Before our council session I read the following prophetic insight:

“Among other things in this book we will explore the purposes of God on the national scene that transcend any political agenda or cultural ideology. God is not a Republican; neither is he a Democrat! In fact, to the relief of our Western European friends we have discovered that neither is God an American. As humorous as this statement might seem it is so important to adjust our thinking to a kingdom mentality else we become pawns of a political process and lose our effectiveness in the earth even as Jesus said regarding the salt that loses its savor. The timeframe covered in these things that God has revealed spans half a century...The things that God showed me included seasons of trial and also outpouring for the church. There will be a great setback for the church in the earth – specifically the Evangelical church on the world scene regarding its perceived influence and power to shape global issues and culture. Many will see this as the work of the devil however it is rather the hand of God bringing about a purpose unexplored and unforeseen by the shallow, tone deaf, politically manipulated Christian electorate in the western nations. This difficulty will be termed by the church looking back in history as 'the Great Disillusionment'.”¹

“What of the church of today? Unlike the Judaism of Jesus' day, the plan of God will not be thwarted. There will be no suffering Messiah. It will be God's way or no way as He raises up a people who will live in his sight and follow on to know Him as He is known in a true outpouring and fulfillment of the rain, the latter and a former rain of God's Spirit poured out in a single season of time in the beginning of the third millennia that we are now living in.”²

So, putting it all together with 'the 10-year window', there's a realigning that's already started by our King among his people to bring them into concert with him. It was important therefore to find out for Australia what he was expecting of us.

Question: Lord, tell us about the realignment the Church in Australia needs to make in the coming years.

Things have begun to shift, but my people are not aware of that. They are still doing business as usual, and I have sent them some warnings, but not many have taken heed of my word. I want to tell you that things are not going to be the same, so there is no way you can do business as before. Things that you have put your trust in, things that you are familiar with, things that you have counted on will change and you will be shocked. I need my people to align themselves with my [*rhema*] word, to be prepared for the changes because it has already begun.

These changes have not just happened now: it has always been like this in the spirit. But this time you need to make the choice, the very important choice, because you won't have the time that you have had in the last decades to think that: there's going to be another 10, 20 years; you're going to do business the same way. Because things are really moving now. I have begun to shift, to sift and to separate and divide, and I want my people to align yourselves with me. If you align yourselves with me, I will show you the things that you have always wanted to know, that you have always wanted to see and experience. You will walk in the miraculous, you will walk in the things that your mind has never fathomed. But if you don't, it might be too late.

Do you want to have more time to prepare? But when the tsunami comes, you can never prepare for a tsunami! You never know how high the water will rise, and you don't know how far it will go and how much damage will come and bring that damage along the way. And you think that you can trust the things that have saved you before, but it will not save you, it will not save you this time. Things will turn for the worse, and you will be so shocked. The things that you have trusted, the people whom you have trusted, the life force that you have connected yourself with, they will not be there for you. Everything will change, everything will shift.

My people have always trusted in huge armies, in finance, in chariots, in fast horses, but in this season I want you to trust in me, because the only thing that will save you in this season is me. So I want you to turn your trust, put all your trust in me. Align yourself with my [*rhema*] word.

'Realignment', that is a strange word for some of my people. They really don't understand why they have to realign because they believe that they are already aligned with the One True Living God. But nothing could be further from the truth in many ways and in many people. Do you all have my mind on all matters? Then how can you think that you are totally aligned with me? It is ridiculous. It makes no sense. So at least wake up to yourself and ask yourself the question, "Am I out of alignment?" and then ask me how you are out of alignment with me.

Do you realise that the head controls the body and determines where the body goes? When you walk, your head, your brain determines where you go and what you do, and the body follows the brain, the head? And I am the Head of my Body, my people. And yet, as ridiculous as it may sound, the Head is going in one direction and the Body is going in all sorts of directions. That's ludicrous.

We are to be one, one Body – me as the head, the brains, leading the Body, which is made up of all my people. We are an organism. An organism means that there are cells all joined together and function together as one being. That's not what is happening with my people. So this is a wakeup call for you, Australia, my Church, my people, my *ecclesia* must align with me. These are important days, these are critical days for the remainder of history and for my Bride to be raised up in this nation as I raise it up over the earth as a whole. If you want to be part of the Bride, hear this, you must be aligned with me, because my Bride is one with me. My Bride is not rebellious, my Bride does not chase after other lovers, my Bride knows my mind and my heart, and we are one together.

If you don't fit that 'bill', if that doesn't sound like you, then you need to talk to me personally about how you are to realign with me, because this is the call in these critical days. Align with me! Church, align with me. I am the Head.

CCOP is a company of prophetic people that the Lord established out of a School For Prophets that Robert Misst (NZ) ran in Canberra in 2012-2013. Our mandate is to rise up to be a genuine Australian prophetic voice to the nation and to our community. Our mode of operation aligns with the restoration of the message from the throne, so that like Jeremiah, we release whatever is on the heart and mind of our King, whether it is appreciated or not by others. As watchmen, we deliver what we receive as we are accountable to do so. Our function is to prophetically speak into the local and national community via prophetic counsel, both as a company and when requested to by community and business leaders outside of the established church. As Elijah-like prophetic people, we have committed ourselves wholeheartedly to our King for him to use us as a force for Kingdom change in Australia.
